This multi-volume set, which is divided by region, contains sections on new and planned centers. An index of centers with available space is designed to help one locate a business site. The high-water mark of the muscle car era is usually credited as 1970, and for good reason; Chevrolet was now stuffing high-powered 454 engines into Chevelles. Adding a larger displacement above the still-available 396 (402) offered buyers the option to order the most powerful production car of that era. The 1970-1972 Chevelles remain the most collectible of the model to this day. Author and historian Dale McIntosh pairs with restoration expert Rick Nelson to provide this bible of authenticity on the legendary 1970, 1971, and 1972 Chevelle models. Everything about restoring your Chevelle back to bone-stock is covered meticulously, including step-by-step instructions for chassis and interior restoration. Understanding date variances on parts applicable to the build date of your Chevelle is vital to a factory-correct restoration, and including them in this book provides a depth of coverage on these cars that is unequaled. Restoring a 1970-1972 Chevelle back to concours correct takes a certain amount of expertise. Thankfully, Rick and Dale have done a lot of the heavy lifting on the research side. With this authenticity guide, you can be confident that you have all the correct components and options accurately and expertly represented for your stock restoration. These fine details put the Chevelle Restoration and Authenticity Guide 1970-1972 a cut above the rest. This factory written Detroit Iron shop manual is perfect for the restorer or anyone working on one of these vehicles. The year is 1988. Naval Intelligence Service Vice Admiral Mark J. 'Malibu' Bowman is on the verge of putting a .45 caliber round in his own temple. In a single moment his Gulfstream III has been torn from the sky taking with it the two women who made his life what it is. He is stopped in his intention by the arrival of his replacement. He agrees to take on a mysterious, suicidal assignment in the desolation of Southern Arizona. Once there he becomes embroiled in a project leading to a plot hatched by the President himself to take over the world. Malibu's investigation into the conspiracy leads him to form an alliance with Vierte Reich, the Fourth Reich, with world domination plans of their own. A romantic alliance with a hard core attractive bar owner further complicates his mission. And this is just the beginning. He is joined by Dallas Raines, his former Executive Officer. After 9/11, the conspiracy goes to places that will kill millions. It is up to them to overcome the opposition and stop it. This 1976 Chevrolet Service & Overhaul Manual Supplement to 1974 Chevrolet Shop Manual is a high-quality, licensed PRINT reproduction of the service manual authored by General Motors Corporation and published by Detroit Iron.
