The Turquoise Ripple Apr 26 2022 The Turquoise Ripple is about effortless self-transformation. Esra Üstar O?uz speaks from her heart center and gives many life-changing examples, including those drawn from her own experience. She has observed that the intention to change is the key trigger. Once the intention is set, all we need do is stay aware and allow the transformation.

Turquoise means "Turkish" in French. It is a color deeply engraved in Turkish history, culture, and art. Being a Turkish native, Esra's intention is that through this book, her call for transcending limitations and embracing change, transformation, and unconditional love may ripple out to the whole world. According to many wisdom traditions, turquoise is about being heart centered and speaking one's truth. Through its unique energy, this color helps to balance thoughts and emotions, recharge spirits, and open the door to spiritual growth. Since turquoise heightens our intuitive ability and alleviates loneliness, it brings us closer to unity consciousness. As the Superconscious said during Esra's practice, "You (light workers) will continue to grow in number and come together. The circle will grow bigger, like the ripple created by a pebble thrown in the water. It does not matter where you are in the circle. One vibration will affect the other, this earth, this universe, and others; one pebble is enough."

Secrets from Strangers Dec 03 2022 As a disabled Army veteran, I have found out the hard way how difficult life can be. Sometimes the obstacles we face in life become overwhelming and we pray for the strength to persevere. After my medical discharge from the United States Army for an injury I sustained to my spine, my life was filled with one obstacle after the next. I lived a life of chronic pain, along with countless other life changing challenges that led me to begging God for help and a sign for what to do next. Through a much-needed change in perspective, I found His strength and guidance through the encounters I share in this book. God gave me no choice but to slow my life down enough to learn the "secrets" found within these pages. God gives us the tools we need to succeed in life, and He puts people in our lives for a reason, but He doesn't always tell us where to find them. My first book, Reflections from the Man in the Mirror, relives valuable lessons I learned from my closest family and friends. This book will share with you the life changing "secrets" I've learned from the people I least expected, complete strangers. Each chapter of this book is about an encounter with a stranger who truly changed my life through their words and actions. The simplest acts of kindness and compassion can have the most profound impact on the world. Mother Theresa wisely said, "We can do no great things; only small things with great love." Well the people that I share with you in this book are a testament to exactly that. Be kind, because you never know what someone else is going through. Most of the people in this book had no idea what I was going through when I met them, but their simple acts of kindness and inspiration changed my life forever. I share these stories with my readers to create hope, inspiration and strength. I firmly believe that my injury has provided me with a second chance at life because it has offered me the perspective I needed to find the strength to persevere. The "secrets" that I share in this book changed the way I see the world and have helped me turn my life into a tool to inspire the world!

The 48 Laws of Power Jun 04 2020 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Ancient Code: Are You Ready for the Real 2012? Oct 01 2022 Some say the end of mankind is near. Some say that financial turmoil is part of the process, along with global warming, warfare and the spread of mass psychosis. Children are fed drugs to keep them calm; nations are invaded by their neighbors; the climate is changing all around us; celebrities become our gods and materialism is the new mantra. But what is the real truth? Is there an answer to all this? If our material lives are making us happier, then why so many self-help books, films and philosophies? It can't be denied that the times are changing. Every day sees new challenges for our species, while we

cause mayhem and madness on an unbelievable scale. But there is a ratio to it all, a rhyme and reason behind everything that we do and everything that affects us. You will learn about a power that was first hidden and then lost over time. Many have sought to rediscover it in order to wield it selfishly. The Temples of Light Jul 18 2021 A guide to the open-heart wisdom and secret rites of passage of thirteen sacred temples in Egypt • Provides information on how to thrive as we move from the Piscean to the Aquarian age • Offers guided meditations and rituals that connect to the ancient power of the Flower of Life, the Djed Pillar, the Ka, the energy body, and more The Temples of Light guides the reader, as the initiate, on a spiritual journey through thirteen of Egypt's sacred temples--a journey into the sanctuary of the open heart. Each sacred site is a portal to ancient wisdom that can assist the modern-day pilgrim with everyday life issues and struggles--love, purpose, money, and health--and the deeper questions of enlightenment and our divine origin. Danielle Rama Hoffman opens up sacred rites of passage that historically have been kept secret to forge a relationship with the temples of Egypt as allies and spirit guides. For example, the temple of Sakkara is associated with abundance; the temple of Abydos with remembering. The initiations in this book awaken intuition and the Sahu--the fully realized self--allowing connections to the power, magic, and wisdom of such sacred symbols as the Flower of Life, the Djed Pillar (the backbone of Osiris), the Ka, and the energy body. Hoffman's guided meditations, rituals, and exercises also raise the reader's vibration level, as we move from the Piscean to the Aquarian age. Embodying the wisdom of the open heart of these temples imparts a shift in consciousness from fear to bliss, from

powerlessness to empowerment, opening the body, mind, and spirit to the infinite possibilities within.
