Organized by topic and packed with critical information this is a must-have guide for every Web designer.

How to Write a Novel Using the Snowflake Method Feb 06 2021 A Magical Key to Unlock Your Creative Wizard Are you writing a novel, but having trouble getting your first draft written? You've heard of "outlining," but that sounds too rigid for you. You've heard of "organic writing," but that seems a bit squishy to you. Take a look at the wildly popular Snowflake Method—ten battle-tested steps that jump-start your creativity and help you quickly map out your story. All around the world, novelists are using the Snowflake Method right now to ignite their imaginations and get their first drafts down. In this book, you'll follow the story of a fictitious novelist as she learns to tap into the amazing power of the Snowflake Method. Almost magically, she finds her story growing from a simple idea into a deep and powerful novel. And she finds her novel changing her—into a stronger, more courageous person. Zany, Over the Top, and Just Plain Fun How to Write a Novel Using the Snowflake Method is a "business parable"—a how-to guide written in story form. It's zany. It's over the top. It's just plain fun. It shows you how it's done, rather than tells you. You'll learn by example how to grow your story idea into a sizzling first draft. You'll discover: How to define your "target audience" the right way, so you know exactly how your ideal readers think and feel. Forget what the experts tell you about "demographics." How to create a dynamite selling tool that will instantly tell people whether they'll love your story or hate it. And you want them to love it or hate it. How to get inside the skin of each of your characters—even your villain. Especially your villain. How to find a deep, emotively powerful theme for your story. Do you know the best point in your novel to unveil your theme? How to know when to backtrack, and why backtracking is essential to writing great fiction. How to fire-test each scene to ensure it's high-impact—before you write it. ExcerptGoldilocks had always wanted to write a novel. She learned to read before she went to kindergarten. In grade school, she always had her nose in a book. In junior high, the other kids thought she was weird, because she actually liked reading those dusty old novels in literature class. All through high school, Goldilocks dreamed of writing a book of her own someday. But when she went to college, her parents persuaded her to study something practical. Goldilocks hated practical, and secretly she kept reading novels. But she was a very obedient girl, so she did what her parents told her. She got a very practical degree in marketing. After college, she got a job that bored her to tears—but at least it was practical. Then she got married, and within a few years, she had two children, a girl and then a boy. She quit her job to devote full time to them. As the children grew, Goldilocks took great joy in introducing them to the stories she had loved as a child. When her son went off to kindergarten, Goldilocks thought about looking for a job. But her resume now had a seven-year hole in it, and her practical skills were long out of date. The only jobs Goldilocks could qualify for were minimum wage. She suddenly realized that being practical had made her horribly unhappy. On a whim, Goldilocks decided to do the one thing she had always wanted more than anything else—she was finally going to write a novel. She didn't care if it was impractical. She didn't care if nobody would ever read her novel. She was going to do it just because she wanted to. For the first time in years, she was going to do something just for herself. And nobody was going to stop her.

The New Harbrace Guide: Genres for Composing (w/ MLA9E Updates) Jan 26 2020 Discover the rhetorically based writing guide designed for you, the digital native, with THE NEW HARBACE GUIDE: GENRES FOR COMPOSING, 4E. This reader-friendly presentation, written by award-winning author Cheryl Glenn, is known for its trademark emphasis on writing in multiple media. This edition combines coverage of genres and persuasion with a thematic reader, research manual, and a new, rhetorically-oriented handbook section that offers step-by-step guidance in editing. Thirty-six new readings jumpstart your writing with interesting topics ranging from veganism and apolitical food to how young people are changing today's climate conversation. Updated content directs you in analyzing rhetorical choices, creating effective thesis statements, and applying the latest MLA or APA styles. You can sharpen important digital, print, and multimodal composing skills while strengthening critical reading and thinking skills that are invaluable for a successful career. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Writing Teacher's Book of Lists Jun 24 2022 This is the second edition of the unique information source and timesaver for English and language arts teachers. The Writing Teacher's Book of Lists with Ready-to-Use Activities and Worksheets includes 90 useful lists for developing instructional materials and planning lessons for elementary and secondary students. In addition, the book includes innovative activities and reproducible black line masters that help students to improve their writing skills, word usage, and vocabulary. For quick access and easy use, all of these lists and activities are organized into seven sections and individually printed in a format that can be photocopied as many times as required for individual or group instruction. This handy resource is filled with helpful lists, activities, teaching suggestions, and reproducible worksheets.

Under a Cloudless Sky Dec 19 2021 A charming and engrossing novel for fans of Southern fiction and the recent hit memoir Hillbilly Elegy about a lush and storied coal-mining town—and the good people who live there—in danger of being destroyed for the sake of profit. Will the truth about the town's past be its final undoing or its saving grace? 1933. In the mining town of Beulah Mountain, West Virginia, two young girls form an unbreakable bond against the lush Appalachian landscape, coal dust and old hymns filling their lungs and hearts. Despite the polarizing forces of their fathers—one a mine owner, one a disgruntled miner—Ruby and Bean thrive under the tender care of Bean's mama, blissfully unaware of the rising conflict in town and the coming tragedy that will tear them apart forever. 2004. Hollis Beasley is taking his last stand. Neighbors up and down the hollow have sold their land to Coleman Coal and Energy, but Hollis is determined to hold on to his family legacy on Beulah Mountain. Standing in his way is Buddy Coleman, an

upstart mining executive who hopes to revitalize the dying town by increasing coal production and opening the Company Store Museum. He'll pay homage to the past—even the massacre of 1933—while positioning the company for growth at all costs. What surprises them all is how their stories will intersect with a feisty octogenarian living hundreds of miles away. When Ruby Handley Freeman's grown children threaten her independence, she takes a stand of her own and disappears, propelling her on a journey to face a decades-old secret that will change everything for her and those she meets.

The Scribe Method Oct 29 2022 Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's *Can't Hurt Me*, Tiffany Haddish's *The Last Black Unicorn*, and Joey Coleman's *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, The Scribe Method is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.

Zen to Done Sep 23 2019 Zen To Done is a simple system to help you get organized and productive--keeping your life saner and less stressed--with a set of simple habits. Zen To Done takes some of the best aspects of popular productivity systems (GTD, Stephen Covey, and others), then combines and simplifies them, giving you just what you need--and no more. Simply put, ZTD teaches you: (1) The key habits needed to be organized and productive. (2) How to implement these habits. (3) How to organize the habits into a simple system that will keep everything in your life in its place. (4) How to simplify what you need to do. (5) How to implement an even simpler version called Minimal ZTD. If you're tired of doing things the hard way and just want a simple, easy, yet effective way to accomplish your goals, Zen To Done is just what you need.

On Writing Sep 27 2022 The author shares his insights into the craft of writing and offers a humorous perspective on his own experience as a writer.

Verity Oct 17 2021 OVER 3 MILLION COPIES SOLD - THE NO.1 BESTSELLER AND TIKTOK SENSATION, FROM THE AUTHOR OF IT ENDS WITH US Are you ready to stay up all night? Rebecca meets Gone Girl in this shocking, unpredictable thriller with a twist that will leave you reeling . . . Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night their family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents would devastate the already-grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her . . . If you loved Verity, don't miss the special collector's edition golden hardback coming this autumn, including an exclusive never-before-seen final chapter. Available to order now. 500,000 READERS HAVE ALREADY GIVEN VERITY FIVE STARS 'One of the best thrillers I have ever read' ***** 'Powerful, mind-blowing and emotional' ***** 'The plot twists and that ending came out of nowhere' ***** 'There are no words. Bravo' ***** 'Dark, creepy, and one hundred per cent original' ***** 'I NEEDED to know how this was going to end' ***** 'Left me completely speechless' ***** VERITY was a No.1 Kindle bestseller on 18.03.22

Communication for Business and the Professions: Strategies and Skills Aug 27 2022 The comprehensive how-to guide to preparing students for the demands they'll face on the job. Dwyer thoroughly addresses the new-media skills that employees are expected to have in today's business environment. Now titled *Communication for Business and the Professions: Strategies and Skills*, the fifth edition presents these technologies in the context of proven communication strategies and essential business English skills. With new and updated content on social media and technology, Dwyer provides comprehensive coverage of communication strategies

and skills by linking theory and research with practical skills and examples. Dwyer believes in expanding our knowledge of what we can do to interact effectively and provides us with working models to practise and refine how well we do it. This edition continues to provide a solid background in communication, stimulate critical thinking, and promote active learning through a variety of features and activities.

Assessing Student Learning Apr 10 2021 Assessing Student Learning is a standard reference for college faculty and administrators, and the third edition of this highly regarded book continues to offer comprehensive, practical, plainspoken guidance. The third edition adds a stronger emphasis on making assessment useful; greater attention to building a culture in which assessment is used to inform important decisions; an enhanced focus on the many settings of assessment, especially general education and co-curricula; a new emphasis on synthesizing evidence of student learning into an overall picture of an integrated learning experience; new chapters on curriculum design and assessing the hard-to-assess; more thorough information on organizing assessment processes; new frameworks for rubric design and setting standards and targets; and many new resources. Faculty, administrators, new and experienced assessment practitioners, and students in graduate courses on higher education assessment will all find this a valuable addition to their bookshelves.

Politics and the English Language Jan 08 2021 George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

The Emotion Thesaurus: A Writer's Guide to Character Expression (2nd Edition) Aug 03 2020 The bestselling Emotion Thesaurus, often hailed as "the gold standard for writers" and credited with transforming how writers craft emotion, has now been expanded to include 56 new entries! One of the biggest struggles for writers is how to convey emotion to readers in a unique and compelling way. When showing our characters' feelings, we often use the first idea that comes to mind, and they end up smiling, nodding, and frowning too much. If you need inspiration for creating characters' emotional responses that are personalized and evocative, this ultimate show-don't-tell guide for emotion can help. It includes: • Body language cues, thoughts, and visceral responses for over 130 emotions that cover a range of intensity from mild to severe, providing innumerable options for individualizing a character's reactions • A breakdown of the biggest emotion-related writing problems and how to overcome them • Advice on what should be done before drafting to make sure your characters' emotions will be realistic and consistent • Instruction for how to show hidden feelings and emotional subtext through dialogue and nonverbal cues • And much more! The Emotion Thesaurus, in its easy-to-navigate list format, will inspire you to create stronger, fresher character expressions and engage readers from your first page to your last.

Author Like Me Jul 02 2020 The final installment of the Author Like Me series is 5 books in 1! It's the entire series all in one, with an additional chapter that is ONLY found in this all-in-one book. Plus it's 25% off compared to buying all five of the books. As an international bestselling author I've put together the tricks and tips that can help you avoid making newbie mistakes. I know too, I've made A LOT of them, which is how I learned everything within these pages. There are tips for every aspect of bringing a novel to life, from brainstorming to plotting to writing and editing, and then past it to marketing! Even for the seasoned authors, there are tips inside these pages that can help you optimize the time you have to put words on the page. In Plot Like Me you'll find the method I've put together on how to plot a novel that has a proven and solid structure that will leave readers rushing through your books as fast as they can. It also includes my outline template that has helped me write faster and with less editing afterward. There are also other worksheets to help you prep every aspect of your novel, which can help speed up drafting. Plot Like Me is one of the most useful books in this series! In Write Like Me you'll find the tips that I've perfected over years of writing. You will find ways to speed up your writing and how to track that speed too. I'm able to write up to three thousand words an hour, and ten thousand words a day even with limited time to write. I want to help you do this too with Write Like Me! In Edit Like Me you can find a common list of things to look for - which will help you avoid making those very mistakes in your next draft as well as cleaning them up in your current one! I also share what I've done wrong a lot, which honestly sometimes it's nice to see what others do wrong and feel better about your own writing. In Market Like Me I have a huge list of resources that I find helpful, research I suggest you do to market in ways that work for your genres, and my ideas that I've worked on and tested out over time. I've paid for a ton of things that went nowhere, so I'd love to help you avoid doing the same. Market Like Me is one of the most useful books in this series! Organize Like Me is a bonus book for those who just like to jump ahead, skipping the explanation, and use the resources I've put together. If you only want worksheets then this is the one for you! In the full set, Author Like Me, you'll find every tip I have to share - it's all of the single books above put into one, with an extra chapter exclusive to the full book which includes additional tips, writing prompts, and more. With this series I want to help you be a faster and better author. Because when you adore writing like I do it's all about maximizing your time to get more words in, and hopefully making some money on those gorgeous words you've put onto the page.

The Reading Teacher's Book Of Lists Apr 22 2022 The definitive reference for reading and literacy from kindergarten through college. This comprehensive fifth edition of a bestselling classic offers an unparalleled source of timely, practical information on all aspects of reading instruction. Ready for immediate use, it offers over 190 up-to-date lists for developing instructional materials and lesson planning. The book is organized into 15 convenient sections full of practical examples, key words, teaching ideas, and activities that can be used as is or adapted to meet students' diverse needs. New topical areas include: ideas for non-narrative reading; word walls; graphic organizer and concept development software; new literacies, such as 'zines, Internet terms, emoticons, e-mail, and chat; as well as weekly writing prompts. Edward Bernard Fry, PhD (Laguna Beach, CA), is Professor Emeritus of Education at Rutgers University and internationally renowned inventor of his eponymous Readability Graph. Jacqueline E. Kress, EdD (Elizabeth, NJ), is Dean of Education at New York Institute of Technology.

Dialogue Apr 30 2020 The long-awaited follow-up to the perennially bestselling writers' guide *Story*, from the most sought-after expert in the art of storytelling. Robert McKee's popular writing workshops have earned him an international reputation. The list of alumni with Oscars runs off the page. The cornerstone of his program is his singular book, *Story*, which has defined how we talk about the art of story creation. Now, in *Dialogue*, McKee offers the same in-depth analysis for how characters speak on the screen, on the stage, and on the page in believable and engaging ways. From *Macbeth* to *Breaking Bad*, McKee deconstructs key scenes to illustrate the strategies and techniques of dialogue. *Dialogue* applies a framework of incisive thinking to instruct the prospective writer on how to craft artful, impactful speech. Famous McKee alumni include Peter Jackson, Jane Campion, Geoffrey Rush, Paul Haggis, the writing team for Pixar, and many others.

From the initial review to accepting the offer, you'll ace every process. This section covers everything you need to know about how to prepare for a job interview and how to interview for the job of your dreams.

Elmore Leonard's 10 Rules of Writing Nov 29 2022 "These are the rules I've picked up along the way to help me remain invisible when I'm writing a book, to help me show rather than tell what's taking place in the story."—Elmore Leonard For aspiring writers and lovers of the written word, this concise guide breaks down the writing process with simplicity and clarity. From adjectives and exclamation points to dialect and hoopedoodle, Elmore Leonard explains what to avoid, what to aspire to, and what to do when it sounds like "writing" (rewrite). Beautifully designed, filled with free-flowing, elegant illustrations and specially priced, Elmore Leonard's 10 Rules of Writing is the perfect writer's—and reader's—gift.

Wired for Story Aug 22 2019 This guide reveals how writers can utilize cognitive storytelling strategies to craft stories that ignite readers' brains and captivate them through each plot element. Imagine knowing what the brain craves from every tale it encounters, what fuels the success of any great story, and what keeps readers transfixed. *Wired for Story* reveals these cognitive secrets—and it's a game-changer for anyone who has ever set pen to paper. The vast majority of writing advice focuses on "writing well" as if it were the same as telling a great story. This is exactly where many aspiring writers fail—they strive for beautiful metaphors, authentic dialogue, and interesting characters, losing sight of the one thing that every engaging story must do: ignite the brain's hardwired desire to learn what happens next. When writers tap into the evolutionary purpose of story and electrify our curiosity, it triggers a delicious dopamine rush that tells us to pay attention. Without it, even the most perfect prose won't hold anyone's interest. Backed by recent breakthroughs in neuroscience as well as examples from novels, screenplays, and short stories, *Wired for Story* offers a revolutionary look at story as the brain experiences it. Each chapter zeroes in on an aspect of the brain, its corresponding revelation about story, and the way to apply it to your storytelling right now.

To-Do List Plan Sep 15 2021 Do you find yourself writing a seemingly endless list of to-do's, only to become overwhelmed, not knowing where to start, and then end up pushing it aside for "later"? Do you often get distracted while working on a task, simply because your mind is on everything besides what you actually need to get done? Are simple, straightforward tasks, like dropping something off at the dry cleaner's or calling your Uncle Joe to check in on him, taking you days (if not weeks) to do? In today's fast-paced modern world, it's difficult--if not near impossible--to keep up with everything that needs to get done at home and at work while also staying on top of your kids' schedules, leaving your self-care activities with nothing but crumbs. That is, if you don't organize the things you need to do. With some guidance and a handful of time- and energy-saving tips, you will know exactly what to do and when to do it, helping you become the most productive version of yourself you've yet to see. In *To-Do List Plan*, here is just a fraction of what you will discover: ? Step-by-step guidance on how to put together your new and improved to-do list, allowing you to become a master at task management and finally take control of your day ? The 6 essential components you need to know in order to create a foolproof to-do list that will help you get those relentless tasks done with and out of your life once and for all ? How to gain an unfair advantage in getting closer to achieving your biggest dreams, all by starting with the most important part of the day ? The top 5 ways to format your to-do list, even if you have the artistic skills of a toddler ? How successful people utilize time management for maximum productivity, and how you can apply them to your routine today to reap the same benefits and boost yourself to their level ? The key to keeping your mind sharp and empty of unnecessary, preoccupying thoughts that do nothing but hinder you from progress ? Procrastination-busting tips and tricks you can use to hone your focus and stay motivated throughout the day, no matter how distracted you tend to get And much more. It doesn't matter if you've already fully accepted the label, "chronic procrastinator," as your second identity--it's never too late to learn new habits. Your lack of motivation isn't solely based on your disinterest in the actual task, but more so the way you're tackling that task. By knowing and implementing proven methods that work rather than shooting your shot in the dark, you will be able to see a difference in your time management abilities within just one day. If you continue to approach your list of to-do's the same way every day, yet you're never able to complete the important tasks by the time you go to bed, then that should be the blaring alarm telling you something needs to change. Trying the same methods over and over again and expecting new results is a never-ending cycle that will only lead to more frustration, and more failure. It's time to get your life organized and back on track, heading in one smooth direction rather than multiple intertwining routes.

How to Write Short May 31 2020 America's most influential writing teacher offers an engaging and practical guide to effective short-form writing. In *How to Write Short*, Roy Peter Clark turns his attention to the art of painting a thousand pictures with just a few words. Short forms of writing have always existed—from ship logs and telegrams to prayers and haikus. But in this ever-changing Internet age, short-form writing has become an essential skill. Clark covers how to write effective and powerful titles, headlines, essays, sales pitches, Tweets, letters, and even self-descriptions for online dating services. With examples from the long tradition of short-form writing in Western culture, *How to Write Short* guides writers to crafting brilliant prose, even in 140 characters.

Writing and Research Feb 27 2020 Written in a simple yet engaging style, Dr Kevin Smith applies his years of experience and expertise in scholarly writing and research in this one-volume guide. Perfect as an introduction for new and continuing undergraduate or postgraduate students, this publication provides helpful guidelines and illustrations on all the elements that go into producing an academic work.

WRITE ON! MATH Jun 12 2021 Write On! Math is a program that offers specific strategies and projects designed to keep your students engaged during math class, strengthen their mathematics, and teach them technical writing skills. Write On! Math is a program that will teach students systematically how to take better notes in math class. Total concentration is a prerequisite to learning how to take better notes. Therefore, a by-product of taking better notes is staying focused in class. Possibly, as a teacher, you at one time remarked to a colleague how you understood something better (or even for the first time!) when you had to teach it. There is no better way to ensure you know something well than to have to teach it to somebody else. The Write On! Math program requires students to do exactly that—that is why it improves their mathematics as well as teaches them a valuable writing technique not taught in English class. Write On! Math will improve they way you preset material to your students in class and on your handouts.

Everybody Writes Aug 15 2021 Finally a go-to guide to creating and publishing the kind of content that will make your business thrive. *Everybody Writes* is a go-to guide to attracting and retaining customers through stellar online communication, because in our content-driven world, every one of us is, in fact, a writer. If you have a web site, you are a publisher. If you are on social media, you are in marketing. And that means that we are all relying on our words to carry our marketing messages. We are all writers. Yeah, but who cares about writing anymore? In a time-challenged world dominated by short and snappy, by click-bait headlines and Twitter

streams and Instagram feeds and gifs and video and Snapchat and YOLO and LOL and #tb. . . does the idea of focusing on writing seem pedantic and ordinary? Actually, writing matters more now, not less. Our online words are our currency; they tell our customers who we are. Our writing can make us look smart or it can make us look stupid. It can make us seem fun, or warm, or competent, or trustworthy. But it can also make us seem humdrum or discombobulated or flat-out boring. That means you've got to choose words well, and write with economy and the style and honest empathy for your customers. And it means you put a new value on an often-overlooked skill in content marketing: How to write, and how to tell a true story really, really well. That's true whether you're writing a listicle or the words on a Slideshare deck or the words you're reading right here, right now... And so being able to communicate well in writing isn't just nice; it's necessity. And it's also the oft-overlooked cornerstone of nearly all our content marketing. In *Everybody Writes*, top marketing veteran Ann Handley gives expert guidance and insight into the process and strategy of content creation, production and publishing, with actionable how-to advice designed to get results. These lessons and rules apply across all of your online assets — like web pages, home page, landing pages, blogs, email, marketing offers, and on Facebook, Twitter, LinkedIn, and other social media. Ann deconstructs the strategy and delivers a practical approach to create ridiculously compelling and competent content. It's designed to be the go-to guide for anyone creating or publishing any kind of online content — whether you're a big brand or you're small and solo. Sections include: How to write better. (Or, for "adult-onset writers": How to hate writing less.) Easy grammar and usage rules tailored for business in a fun, memorable way. (Enough to keep you looking sharp, but not too much to overwhelm you.) Giving your audience the gift of your true story, told well. Empathy and humanity and inspiration are key here, so the book covers that, too. Best practices for creating credible, trustworthy content steeped in some time-honored rules of solid journalism. Because publishing content and talking directly to your customers is, at its heart, a privilege. "Things Marketers Write": The fundamentals of 17 specific kinds of content that marketers are often tasked with crafting. Content Tools: The sharpest tools you need to get the job done. Traditional marketing techniques are no longer enough. *Everybody Writes* is a field guide for the smartest businesses who know that great content is the key to thriving in this digital world.
