doctrine of the Trinity, asserting that we are only human when we reflect the relationship between Father, Son and Holy Spirit. The book focuses on what it is to be like each part of the Trinity focusing in particular on the initiating love of the Father, the responsive love of the Son and the creative love of the Holy Spirit. Interacting with sociological, theological and personal issues of concern on a day-to-day level, Like Father, Like Son is relevant to Christian living in both the church and the world. An international bestseller (more than 100,000 in print in the U.S.)—now with a new cover and interior design. This timeless classic with worldwide appeal (over 1.2 million in print in 32 languages) freshly reveals the freedom and healing that come from discovering God as the perfectly reliable Father—eager to meet every need, ready to give His love. Readers will learn how to deal with heart issues that prevent them from calling God "Father" how the Father's compassion heals the deep emotional wounds caused by earthly fathers who don't know how to love...or who just aren't there how relationships can be

restored and homes reunited A superb resource for discipleship and counseling. Includes study guide. 'Certainly one of the most promising theological statements of our time.' --The Christian Century 'Not for the timid, this brilliant book calls for nothing short of the overthrow of patriarchy itself.' --The Village Voice From the Trade Paperback edition. The abandonment of children by their fathers is symptomatic of the breakdown of the foundation of society, the socialization and civilization of the male. The antidote to this is the rediscovery of God as Father, as found in the authentic tradition of the Hebrew scriptures. Your brokenness is the key to knowing God as Father. God has an identity. He does not want to be known as a higher power or confined to our limited understanding and judgment of Him. Those who want to know the name of God--and most importantly want to know God as He desires to be known--can discover him as Abba. Matthew L. Stevenson III captures all the teachings of Jesus that demonstrated the Father. This book also highlights how aggressively Satan distorts the father role to fracture people's

lives in the areas of: - Identity - Security - Failures - Confidence Abba addresses the key to a more fulfilling worship life as well as understanding God's heart toward the fatherless. A revelation of the father heart of God is needed more now than ever.

Thomas Chalmers was a Scottish Presbyterian minister who served most of his life at St. John's parish in Glasgow—a congregation that was both the largest and the poorest congregation in the city. Known for his extensive charitable work in caring for the poor and downtrodden, Chalmers was also an astute theologian. One of his most notable works is The Expulsive Power of a New Affection, in which Chalmers inspires his readers to remove the tangles of sin through the expulsive power of a new affection—desiring God. As a result of the fall, human feelings of love are often misplaced on the creation rather than the Creator. This classic work of the faith reorients our affections toward him. Life is full of unexpected twists and turns and this has been particularly so in 2020. But the most unexpected and significant event in the history of the world actually happened

over 2000 years ago when God himself became one of us in the person of Jesus Christ. These Advent reflections, written by David Mathis, help us to lift our eyes to wonder of the incarnation and worship the one who came to save us and make our futures certain. Be amazed once more by the unexpected details of Jesus' unique birth and saving work with these short daily devotions and prayers, and renew your worship of our humble, generous and loving Savior. DOES GOD SEEM CONFUSING TO YOU? Don't live another day without understanding and knowing God. The God of the Bible's Old Testament can seem downright scary and hard to please. Our misconceptions of Him can discourage us from ever wanting to know Him. In God the Father Revealed, author Lewis Erickson assists you in easy-to-understand language through the first book of the Bible, Genesis, showing you wonderful personality traits of God the Father that are often overlooked. As these traits are revealed and you begin to understand God's side of the Genesis stories, you will be drawn to Him and changed. These traits are further developed

and reinforced through humorous and inspiring personal stories from the author's life. As a result of reading God the Father Revealed, you will Understand God better and be drawn to know Him. Feel differently about yourself in light of how God sees you. See the people around you as God sees them. UNDERSTANDING AND KNOWING GOD CHANGES EVERYTHING "This book has made me feel so loved by God. I would definitely recommend this book to people questioning God's goodness " - Catherine Christie, Hope Ranch for Women Residential Coach

God as Father in Paul explores Paul's use of the kinship term "Father" to refer to God, along with related familial terms ("children" of God and Christ-followers as "brothers and sisters"), as part of a study of the use of kinship language in the identity formation of early Christianity. Mengestu argues that these kinship terms are shared modes of identity constructions within the wider textual and cultural settings (the Roman Empire, the Roman Stoic philosophers, the Hebrew Bible, and ancient Jewish literature) from which Paul draws on as well as contests. Employing theoretical (kinship

and social identity theory) as well as interpretative approaches (imperial critical and narrative approaches to Paul), he contends that Paul uses God as Father consistently, strategically, and purposefully, in both stable and crisis situations, to develop a narrative, orienting framework(s) that images the community of Christ-followers as a family that belongs to God, who, together with the Lord Jesus Christ, bestows on them equal but diverse membership in the family. The narrative so constructed forms the foundation for referring to Christ-followers as "children of God" and "brothers and sisters" of one another. It constructs boundaries and serves as nexus of transformation and negotiation. With beautiful illustrations and memorable rhyme, this book tells the sweeping story of God's love for us since the beginning of time. Your child will learn how Jesus' life, death, and resurrection opened heaven, so we can spend eternity with God. If you don't know what it means to be a "real man," there are approximately 2,341 books waiting to enlighten you. But many of them will leave you burdened with

a masculine to-do list, resigned to passivity in the face of impossible expectations, or convinced that your manhood has been indelibly marked by an absentee father. These miss the biblical mark. Whether your dad was absent or present, passive or aggressive, positive or negative—you need to know the love of your Father in heaven in order to discover who you are and who you are meant to be. Forty years of experience in men’s ministry has convinced Pete Alwinson that knowing God’s fatherly love changes everything for a man. Instead of outlining how to recover and reclaim masculinity, Alwinson invites men to recover and reclaim an intimate, growing relationship with their heavenly Father and live out of that identity in their particular calling as sons, fathers, brothers, friends. A man who is forgiven and accepted by his heavenly Father is free to become like him. Like Father, Like Son is a refreshing message of grace amongst the voices encouraging men to pull themselves up by their bootstraps. By focusing men on their biblical, core identity—being sons of the Father by grace—it channels the thirst for

adventure and freedom into a radical exploration of grace. Like Father, Like Son is easy-to-read and conversational, full of personal stories and anecdotes that will encourage males to believe that God's grace alone turns them into real men. No bootstraps required. Children's BookA simple love letter from GodA Father's Love LetterA simple children's book invitation love letter. Praying like Jesus doesn't just change your prayer life; it changes your entire life. There are many books on prayer, and books on Jesus, but there is a need for a book about the prayer life of Jesus since His prayer life alone was the perfect prayer life. How did Jesus pray? Why did Jesus pray? Where did Jesus pray? These questions and more will be examined as we look at what Jesus taught about prayer, as well as what Jesus modeled in prayer. This book will be biblical, practical, and easy to read so that it is accessible to a broad audience. Many people, Christian and non-Christian alike, statistically value prayer and try to have some sort of prayer life. But most people struggle to build any momentum in their prayer lives when they

fall into a rut. In Pray Like Jesus, Mark and Ashley want to help people build momentum in their prayer lives by experiencing the presence of God in an ever-deepening, life-giving, burden-relieving, and hope-lifting relationship with Jesus Christ. Grammy Award winner Michael W. Smith's The Way of the Father offers a deeply personal reflection on his father Paul Smith's legacy and its profound effect on every area of his life. Through the life and lens of his earthly dad, the multi-platinum selling Christian artist gives glimpses of a Father in Heaven that anyone can approach and experience. Michael W. Smith, multi-platinum artist, celebrated songwriter, producer, best-selling author, and acclaimed actor, himself a father of five adult children and grandfather of sixteen, calls upon his humble experiences of growing up in a small West Virginia town to share his father's story. Each chapter identifies a quality and characteristic of his dad that came out of an obedient and sacrificial life, committed to serving his Abba Father, including: Finding truth in tragedy Loving unconditionally Persevering

through pain Bringing righteousness to the world Influencing and inspiring generations Discovering identity and approval in Christ Paul Smith was a familiar face in the crowd at Michael W. Smith's concerts over the years. A kind and joyful man who would sing, dance, and worship to the singer's countless number one hits, with his countenance beaming brighter than the spotlights on the stage, Paul would often introduce himself to those nearby and talk about how proud he was of his son. From the artist's early days as a struggling musician in Nashville to his death in 2015 (the year his son's album sales surpassed 15 million), Paul was always Michael's biggest fan. Michael shares how his dad inspired and encouraged him using biblical principles and virtues. Now, Michael passes on these same truths through stories, testimonies, origins of songs, and personal insights from his family life and thirty-five plus years of touring as a Christian artist. He hopes that by sharing his father's legacy, readers will come to find that no matter who our earthly parents have been in our lives, our Abba Father will never fail

us. The Way of the Father will likewise challenge readers in their faith journeys so they will one day hear, "Well done, good and faithful servant. You have fought the good fight, run the race, and have been found faithful"--just like Paul Smith heard on the day he was called home to be with his Father. Father's Love Letter by Barry Adams is a series of paraphrased Scriptures that take on the form of a love letter from God and will impact your heart, soul and spirit. Experience the love you have been looking for all your life. This gift book contains beautiful full-color photographs and fifty-seven powerful devotional thoughts. Michael Franzese grew up as the son of the notorious Underboss of New York's violent and feared Colombo crime family. Intelligent, handsome and ambitious, he quickly rose within the ranks of organized crime. Franzese at his most affluent generated an estimated \$5 to \$8 million per week from legal and illegal businesses. Fourteen law enforcement agencies poured money into a

taskforce with a sole objectivebring down the sophisticated young mobster. It was a life filled with power, luxury and deadly violence. Then an innocent young woman walked into Michaels life. Her exotic beauty captivated him. Her faith in God brought him home. Come along on Michaels journeyfrom the mob, to prison, to a brave new life. Its a story that will inspire you and give you hope. Its a story with a powerful lesson: No one is so bad that they cant be forgivenlife can begin again. This is an educational book for those who are in a relationship, whether they are married or not. As long as they are in a relationship, they need to know about these things; also it is not only for men but also for females because some women have no idea what to expect from their man. This will help them find a basic foundation of what to expect from their man, as this also helps man to know what to do for their woman. If relationships are not solved and if people are not educated about relationships, this world will never be at peace because it is all because of relationships. We have all these problems we are facing nowadays, as the

worlds problem started with two people who were in a relationship, which was written in the Bible. If they both knew what their responsibilities were in their relationship, the woman would have not gone and searched for food while the man was home sitting. I believe that if couples could know what they are supposed to do and what they are not supposed to do in relationship, we will make the world a better place to live. ""There is a Father Who is waiting for you; Who will not condemn you; Who will not criticize you; Who will not point out all of your faults and failings. He is just waiting. I believe if we could get that message across to the fatherless generations around us, many of them would run into their Father's arms. That is what they are longing for."" - Derek Prince, Father God Good God, The: Enjoying Father, Son, And Spirit. In a very accessible way Michael Reeves writes about God as Trinity in order for both our understanding and faith to grow. In The Good God, Michael Reeves writes about growing in our enjoyment of God and seeing how God's triune being makes all his ways beautiful.

He sees it as a chance to taste and see that the Lord is good, to have our hearts won and ourselves refreshed. A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font. God is a Loving Father. But is that what you have experienced? What comes to mind when you hear the word "father" or "dad"? Does it stir up references of love, hope and empowerment? To experience the love of God in it's greatest measure, we need to encounter God in His identity, as a Father. Everything that Jesus lived out was designed to show us what the heart of the Father is like. Even so, masses of Christians are going to Jesus, yet avoiding the Father. To them, their reference of father has been wounded or left empty. As a result, the enemy works relentlessly to keep us from experiencing the great love that our Heavenly Father extends to us. This book will help heal your lens of what father means and usher you into a renewed and powerful relationship with Abba; your Dad. In this book, you will be encouraged to discover: - The two greatest needs that you have in your heart. - What keeps us from

knowing who God is as Father? - How to overcome flawed earthly father experiences. Allow yourself to break through the hinderances that make you feel far from God and experience His love like never before! I felt an urgency in writing this particular book as most of us are lost in a world that we no longer recognize, and we are all in desperate need of answers and guidance. The fact is, we have all been lied to and deceived as to who the god of the Old Testament is. Yahweh, Jehovah, and all those names for God in the Old Testament all belong to God the Father of Christ. We were taught that the god of the Old Testament--Yahweh--is the same God in the New Testament--the Father. This is a lie, and this is the greatest deception ever played out on mankind. All western religions have taught us that we are worthless, guilty sinners that must be condemned and punished. This is a lie that the church has instilled in our mass consciousness to control and enslave humanity. The truth is you are not the sinner. You are not the egoic mind or the body. You are the Spirit--an extension of

God the Father Himself. The spirit is the only part of you that God the Father created, so this is the only part of you He sees. He does not look at your carnal mind or body, for He knows it was made in corruption. Gnostic Sacred text, specifically the Secret Book of John, tells us God the Father created man's eternal, perfect spirit while the god of the Old Testament--Yahweh--made the physical world that we see; he assembled man's soul, which imprisons the Spirit of God the Father through the process of reincarnation, karma, sin, and guilt. He created the body to give man an expiration date, which is death. This limits our time here in this world as he feared man gaining gnosis--knowledge of our true identity, the power within us, and how to use it. This is why Yahweh created the egoic carnal mind at enmity against God the Father--as he does not want us to awaken to the Truth of who we really are: an eternal, unchanging, innocent holy son of God the Father. God the Father only creates what is spiritual and eternal. Yahweh only creates what is physical; everything in it deteriorates,

decays, and dies. This world and everything in it all belongs to Yahweh; all governments, kingdoms, world leaders, and megacorporations belong to him. Christ and God the Father's kingdom is spiritual. They want nothing of this physical world. The truth is the god of the Old Testament--Yahweh is a corrupt, egoic lesser god that wants to be worshiped by the whole world as God the Most High, the Father of Christ. In this book, I use Bible scriptures and sacred Gnostic text to discuss, show, and prove who God the Father is, who the god of the Old Testament is, and who we really are. Our true origins are documented in sacred Gnostic text, which the church desperately tried to destroy and eliminate from our recorded history. I will go over how the god of the Old Testament was created and how he has deceived the world to usher in his one-world government, currency, and religion, all worshiping him. The rulers of the world know that there is a great awakening happening throughout the world, and this is their greatest fear. They know that if we awaken the Spirit within, our Christ

consciousness, they will lose their power and control over us; they will no longer be able to deceive, manipulate, and control us through fear, and their beast system will eventually collapse. This is why there is a war on consciousness. They are doing everything in their power to ensure we do not awaken to the truth. In this book, I reveal many truths that will empower you through the troubling times ahead. Knowing your true self, knowing the power within and how to use it, knowing the Father, knowing how to escape Yahweh's world matrix of reincarnation--this is your true power. I give you concepts, ideas, exercises, and tools that you need to awaken your true self: the divine Spirit within. These tools will help you eliminate most of your karma so you may escape Yahweh's matrix of reincarnation to ascend back to God the Father's kingdom in heaven. Yes, reincarnation was in the Bible; they took it out to control the people through fear of going to hell for eternity. God uses many words to describe himself, but one is stunningly personal-Father. This is thrilling... and problematic. You don't

have another Jesus, or another Holy Spirit, but you do have another father, and your experience with him changes the way you see God. Because of this, unknowingly, you may be "Father deficient" - lacking key resources God is offering, but you are still missing. With keen Biblical insight and inspiring stories Dave Patty shows you how to evaluate four key areas of your heart, and then unpacks the practical steps to deep transformation with Father resources from God. You will be amazed at the breadth of impact as you encounter this member of the Trinity in a new and deeply personal way. A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith. Fathers, sons, brothers, kings. Does the predominantly masculine

symbolism of the Biblical writings exclude women or overlook the riches of their spiritual life? Janet Martin Soskice opens up the Bible's imagery for sex, gender, and kinship, by discussing its place in the central teachings of Christian theology. "We believe Christian dads need to learn from God and need to hear from fathers who are living out the relationship." With that, father-and-son authors Kenn and Jeff Gangel launch this highly practical guide to fathering by learning from the attributes of the original-God the Father. Exploring God's ways of communicating, forgiving, disciplining, and loving, the authors build a strong case for their conviction that fathering works best when patterned after the best. Their warm, reader-friendly style combines anecdotes from sports, popular culture, and personal experience. The result is a collection of useful, down-to-earth insights into a role that was sent from heaven. Each chapter includes "Kenn's story" and "Jeff's story"-fascinating and, at times, confessional vignettes fathers of all ages can identify with-along with helpful pointers called "Making It Work," questions

for discussion, and suggestions to stimulate father-child dialogue. Fathering Like the Father will inspire any dad or study group interested in a better grip on what the authors label their "premier calling." Jesus said, "Whoever has seen me has seen the Father" (John 14:9). He and the Father are one in their love, joy, and desire to bless. In Embracing God as Father, Daniel Bush and Noel Due show us what God has done, is doing, and does every day as he speaks his Word into our hearts. God searches for the lost and weary to save us, adopt us into his family through Christ, and make us sons and daughters of the one and only Father. This theologically rich and deeply personal book helps us see God as he truly is and see who we are as his sons and daughters. The relationship between the Father and the Son has been one of, if not, the most difficult principle for me to satisfactorily understand. I take a little, but not much, comfort in knowing that many scholars have the same problem as I do, which is evident by their vastly different theories and explanations. This fact should not deter any of us, who love the truth, from studying this

beautiful and fascinating topic. The title of this writing was found in the Bible, in Paul's first letter to the Corinthians, chapter 8, verse 6 where he says, "there is One God, the Father". Is it possible that Paul is simply stating that the One God, Who is referred to, so many times in scripture, is the Father? If so, that opens the door to a host of questions, primarily about Who Jesus Christ is. In this study, as always, we depend on the inspired sacred scriptures to find the answers. My prayer for you the reader, is that you willing and able to set aside your pre-conceived ideas, especially those based on man's doctrines, and ask the holy spirit to open the eyes of your heart to allow a fresh "spiritual" revelation to enter, one that will return you to your First Love, Who is, none other than, the Lord Jesus Christ. Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God." If people trusted God like a child ideally trusts a dad, what would happen to their prayer life?

What does it really mean to have a child-like faith? Deborah Newman says that learning to see God as Daddy will help believers grow in their prayer life and gain a better sense of who they are and why they are here. In *How to Really Love God as Your Father*, Newman shares the spiritual process she went through as she learned how to see God as Daddy and invites readers not only to embrace and personally identify with the process, but to actually experience the transformation for themselves. Written for both men and women, this book emphasizes the process of praying to God as Abba and thereby unlocks the secret to a more intimate relationship with him. The knowledge of God is one of the truly immense themes of the Old Testament - challenging, frightening, yet intimate and personal. This book shows how the Christian faith is rooted in and illumines the Old Testament. It presents the thesis that the faith that Jesus expressed and embodied can only be truly understood if we grasp how it developed. The purpose of this book is to bring truth as to who God The Father is and

who we really are in Christ. Knowing who you are allows you to take back your power and authority over the God of this world Yahweh. God The Father of Christ and all creation is not the God of this world (John 18:36). The Father gave man dominion over the earth (Genesis 1:26-28); through man's sin, power and authority was transferred to Satan/Lucifer. The Father cast Lucifer out

Book One: "HASHEM/JEHOVAH/YAHWEH: ALMIGHTY GOD, THE FATHER" is a God inspired book that consists of two separate adult books, which reveal a Spiritual Conversation between Almighty God, The Father, Barbara Ann Mary Mack, and God's Earthly children today.

Savior. Origen's On First Principles is a foundational work in the development of Christian thought and doctrine: it is the first attempt in history at a systematic Christian theology. For over a decade it has been out of print with only expensive used copies available; now it is available at an affordable price and in a more accessible format. On First Principles is the most important surviving text written by third-century Church father, Origen. Origen wrote in a time when fundamental doctrines had not yet been fully articulated by the Church, and contributed to the very formation of Christianity. Readers see Origen grappling with the mysteries of salvation and brainstorming how they can be understood. This edition presents G. W. Butterworth's trusted translation in a new, more readable format, retains the introduction by Henri de Lubac, and includes a new foreword by John C. Cavadini. As St. Gregory of Nazianzus, Doctor of the Church, wrote: "Origen is the stone on which all of us were sharpened."
