Part two of the definitive biography of the rock 'n' roll kings of the North — covering Rush's most iconic and popular albums, *Moving Pictures* and *Power Windows* Includes two full-color photo inserts, with 16 pages of the band on tour and in the studio In the follow-up to *Anthem: Rush in the '70s*, Martin Popoff brings together canon analysis, cultural context, and extensive firsthand interviews to celebrate Geddy Lee, Alex Lifeson, and Neil Peart at the peak of their persuasive power. Rush was one of the most celebrated hard rock acts of the '80s, and the second book of Popoff's staggeringly comprehensive three-part series takes readers from *Permanent Waves* to *Presto*, while bringing new insight to *Moving Pictures*, their crowning glory. *Limelight: Rush in the '80s* is a celebration of fame, of the pushback against that fame, of fortunes made — and spent ... In the latter half of the decade, as Rush adopts keyboard technology and gets pert and poppy, there's an uproar amongst diehards, but the band finds a whole new crop of listeners. *Limelight* charts a dizzying period in the band's career, built of explosive excitement but also exhaustion, a state that would lead, as the '90s dawned, to the band questioning everything they previously believed, and each member eying the oncoming decade with trepidation and suspicion. Part sport, part performance art, professional wrestling's appeal crosses national, racial and gender boundaries--in large part by playing to national, racial and gender stereotypes that resonate with audiences. Scholars who study competitive sports tend to dismiss wrestling, with its scripted outcomes, as "fake," yet fail to recognize a key similarity: both present athletic displays for maximized profit through live events, television viewership and merchandise sales. This collection of new essays contributes to the literature on pro wrestling with a broad exploration of identity in the sport. Topics include cultural appropriation in the ring, gender non-conformity, national stereotypes, and wrestling as transmission of cultural values. A biography of the popular rock singer and composer who was the first woman to ever put three singles from one album into the Top Three. Provides a listing of the top 100 albums in alternative music from the earliest influences to the latest bands, and includes in-depth record reviews "She's been there and done everything, before any of us." – Christina Aguilera Cher started her career as a backing vocalist for Phil Spector's iconic *Wall of Sound*, before shooting to superstardom herself with the sixties anthem *I Got You Babe*. Cher mastered folk-rock, achieved three US #1's during the singer-songwriter era of the 1970's, whilst having a glittering television career. She made her mark on disco, Broadway and the 1980's hair metal scene and earned the highest acting honor available. Cher absolutely conquered the 1990's dance scene whilst in her 50's, and was given the *Goddess Of Pop* title in her 60's. Along the way, Cher has knocked *The Beatles* off #1, had five US Hot 100 hits simultaneously, appeared on the *Live Aid* stage, had US#1 movies with Meryl Streep and Jack Nicholson, attended Madonna's wedding in a purple wig, called David Letterman an "asshole", inaugurated *Disneyland*, had the highest-grossing female tour of all-time, had hits in six decades and held Lady Gaga's meat purse. Rightfully coined the "*Goddess of Pop*", Cher has conquered music, film and television during her 50-year showbiz career, selling 100-million records, grossing \$650-million on tour, drawing \$700-million at the U.S.

Box Office and winning Oscar, Grammy, Emmy and Golden Globe Awards. She is one-half of highly-successful duo Sonny & Cher, a multi-million-selling doll, multi-million-selling fitness icon, hit songwriter, enduring sex symbol, award-winning television producer, film director, video director, award-winning fashion icon, author, model, humanitarian, mother, daughter, and of course the idol of a highly diverse fan base. Cher topped the US Hot 100: before Barbra Streisand did; before Michael Jackson, Elton John, David Bowie and Rod Stewart were famous; and before Celine Dion and Mariah Carey were even born. She had solo hits before Tina Turner and Diana Ross did, and had reinvented herself multiple times (from folk-rock hippie, glamorous TV host, disco diva, rock chick to serious actress) before Madonna had even released her first single. Her music has been covered by a range of artists from Frank Sinatra to Stevie Wonder to Britney Spears. And she broke barriers in censorship and style to pave the way for generations of outlandish female starlets such as Cyndi Lauper, Christina Aguilera and Lady Gaga. "She's a bright and truly funny gal. It goes without saying she is talented and will be doing her thing for as long as she wants to." – Dionne Warwick

Legendary singer, songwriter, actress, and activist Cyndi Lauper offers a personal account of the journey that led her to become an international superstar in this "moving story of an American musical original" (Kirkus Reviews). Icon Cyndi Lauper offers a poignant account of the journey that led her to become an international superstar—from her years growing up in Queens, New York, to the making of enduring hits like "Time After Time," "Girls Just Want to Have Fun," and "True Colors," to becoming an actress, a mother, an outspoken activist, and maintaining a music career that has lasted more than thirty years. After leaving her childhood home at seventeen, Cyndi took on a series of jobs: racetrack hot walker, IHOP waitress, and, as she puts it, "gal Friday the thirteenth," as she pursued her passion for music. She worked her way up playing small gigs and broke out in 1983 with *She's So Unusual*, which earned her a Grammy for Best New Artist and made her the first female artist in history to have four top-five singles on a debut album. And while global fame wasn't always what she expected, she has remained focused on what matters most. Cyndi is a gutsy real-life heroine who has never been afraid to speak her mind and stick up for a cause—whether it's women's rights, gay rights, or fighting against HIV/AIDS. With her trademark warmth and humor, Cyndi fearlessly writes of a life she's lived only on her own terms, perfect for fans of Patti Smith's *Just Kids* and Billy Idol's *Dancing with Myself*. In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. The *Washington Post* hails Greil Marcus as our greatest cultural critic. Writing in the *London Review of Books*, D. D. Guttenplan calls him probably the most astute critic of American popular culture since Edmund Wilson. For nearly thirty years, he has written a remarkable column that has migrated from the *Village Voice* to *Artforum*, *Salon*, *City Pages*, *Interview*, and *The Believer* and currently appears in the *Barnes & Noble Review*. It has been a laboratory where Marcus has fearlessly explored and wittily dissected an enormous variety of cultural artifacts, from songs to books to movies to advertisements, teasing out from the welter of everyday objects what amounts to a de facto theory of cultural transmission. Published to complement the paperback edition of *The History of Rock & Roll in Ten Songs*,
