The Unfortunates Feb 27 2020 A sports journalist, sent to a Midlands town on a weekly assignment, finds himself confronted by ghosts from the past when he disembarks at the railway station. Memories of one of his best, most trusted friends, a tragically young victim of cancer, begin to flood through his mind as he attempts to go about the routine business of reporting a football match. B S Johnson ' s famous ' book in a box ' , in which the chapters are presented unbound, to be read in any order the reader chooses, is one of the key works of a novelist now undergoing an enormous revival of interest. The Unfortunates is a book of passionate honesty and dark, courageous humour: a meditation on death and a celebration of friendship which also offers a remarkably frank self-portrait of its author.

Design by Numbers Sep 15 2021 A pioneering graphic designer shows how to use the computer as an artistic medium in its own right. Most art and technology projects pair artists with engineers or scientists: the artist has the conception, and the

technical person provides the know-how. John Maeda is an artist and a computer scientist, and he views the computer not as a substitute for brush and paint but as an artistic medium in its own right. Design By Numbers is a reader-friendly tutorial on both the philosophy and nuts-and-bolts techniques of programming for artists. Practicing what he preaches, Maeda composed Design By Numbers using a computational process he developed specifically for the book. He introduces a programming language and development environment, available on the Web, which can be freely downloaded or run directly within any JAVA-enabled Web browser. Appropriately, the new language is called DBN (for "design by numbers"). Designed for "visual" people—artists, designers, anyone who likes to pick up a pencil and doodle—DBN has very few commands and consists of elements resembling those of many other languages, such as LISP, LOGO, C/JAVA, and BASIC. Throughout the book, Maeda emphasizes the importance—and delights—of understanding the motivation behind computer programming, as well as the many wonders that emerge from well-written programs. Sympathetic to the "mathematically challenged," he places minimal emphasis on mathematics in the first half of the book. Because computation is inherently mathematical, the book's second half uses intermediate mathematical concepts that generally do not go beyond high-school algebra. The reader who masters the skills so clearly set out by Maeda will be ready to exploit the true character of digital media design.

Consider Phlebas Jun 24 2022 The first book in Iain M. Banks's seminal science fiction series, The Culture. Consider Phlebas introduces readers to the utopian conglomeration of human and alien races that explores the nature of war, morality,

and the limitless bounds of mankind's imagination. The war raged across the galaxy. Billions had died, billions more were doomed. Moons, planets, the very stars themselves, faced destruction, cold-blooded, brutal, and worse, random. The Idirans fought for their Faith; the Culture for its moral right to exist. Principles were at stake. There could be no surrender. Within the cosmic conflict, an individual crusade. Deep within a fabled labyrinth on a barren world, a Planet of the Dead proscribed to mortals, lay a fugitive Mind. Both the Culture and the Idirans sought it. It was the fate of Horza, the Changer, and his motley crew of unpredictable mercenaries, human and machine, actually to find it, and with it their own destruction.

Twisted Souls Box Set (The Soul Ripper, Twisted Souls, Soul Cycle, A Soul to Settle) Mar 29 2020 The complete Twisted Souls series is available in this box set collection: The Soul Ripper (Twisted Souls #1) In a post-apocalyptic world known as the Territory of Malm, infants are born soulless. With a hideous appearance and unquenchable hunger, they are kept out of sight until they are Chosen. Long ago, the residents of Malm placed their faith in the Office of Souls to lead them and keep them safe after the human race was almost destroyed in the time known only as "Before". But someone long forgotten has other plans, and that means unleashing unspeakable evil into their world. Soul Implantation Day 3675 starts out like any other, and follows the paths of six people who are destined to meet in the courtyard of the Fountain of Souls. They bear witness to a soul implantation ceremony gone terribly awry. Not all

of them will survive, and some will suffer a fate far worse than death. *This novella was previously released under the title "The Soul Garden".* Twisted Souls (Twisted Souls #2) The epic collision of good and evil that began in The Soul Ripper (Twisted Souls #1) continues in Twisted Souls (Twisted Souls #2), the second installment of Cege Smith's Twisted Soul series... The survivors of Soul Implantation Day 3675 went into hiding as the rest of the Territory of Malm was ravaged by an old foe hell-bent on total domination of their world. As the focus settles on the last untouched outpost of humanity, Samuel, the new Head Master of the nearly annihilated Office of Souls, knows that something must be done in order to bring the human race back from the brink of total extinction. Samuel's secret weapon is Cameron, the last recipient of a soul from the Fountain of Souls. Cameron's destiny has set her on a path to face down the ultimate evil and hopefully save mankind. Time is against them as the survivors discover that nowhere is safe from their enemy's reach, and they must rejoin the outside world and fight before it is too late. Soul Cycle (Twisted Souls #3) The line between good and evil blurs even further in Soul Cycle (Twisted Souls #3), the third installment of the Twisted Souls saga... Cameron, Samuel, and Malcolm survived the trap in the Office of Souls compound. Their goal is to reach Outpost Alanstown where they know they will have to confront their enemy. But as their journey begins, an encounter with a group of bloodthirsty Soulless Ones separates the group on the outskirts of West End, the capital city of the Territory of Malm. In the meantime, in Outpost Alanstown, Chim retrieves Marius from the edges of madness. Marius finds himself in the difficult position of helping Chim in order to help himself. What no one knows is that someone has been behind the scenes pulling the strings like a skilled puppet master, and that person is someone they never expected. Answers from the past must be found before Cameron and Samuel's true destinies can be revealed. The journey to the final battle is coming, but who will be there still remains a mystery. A Soul to Settle (Twisted Souls #4) A new evil rises as Samuel and Cameron race toward to Outpost Alanstown in the thrilling conclusion of the Twisted Souls series... Facing a moral dilemma, Samuel realizes that everything he believed was right is wrong. He is confronted with the devastating truth that to save the Territory of Malm, he must first remove the stain of the treacherous legacy of the one who ruled before him. Cameron teeters on the cusp of discovering her purpose. She's been a pawn in a game of control that spans since the time of Before. How that impacts her role in the upcoming battle between good and evil remains shrouded in mystery. In Outpost Alanstown, Marius has embraced the darker side of his nature. Conscience be damned, he finds a reason to stand against Cameron and Samuel when they come because he can't see any alternative. The time for the final battle has arrived.

The Blade Artist Aug 03 2020 The most terrifying character in "Trainspotting "returns -- with his own novel. Jim Francis has finally found the perfect life -- and is now unrecognisable, even to himself. A successful painter and sculptor, he lives quietly with his wife, Melanie, and their two young daughters, in an affluent beach town in California. Some say he's a fake and a con man, while others see him as a genuine visionary. But Francis has a very dark past, with another identity and a very different set of values. When he crosses the Atlantic to his native Scotland, for the funeral of a murdered son he barely knew, his old Edinburgh community expects him to take bloody revenge. But as he confronts his previous life, all those friends and enemies -- and, most alarmingly, his former self -- Francis seems to have other ideas. When Melanie discovers something gruesome in California, which indicates that her

husband's violent past might also be his psychotic present, things start to go very bad, very quickly. "The Blade Artist" is an elegant, electrifying novel -- ultra violent but curiously redemptive -- and it marks the return of one of modern fiction's most infamous, terrifying characters, the incendiary Francis Begbie from "Trainspotting."

Jackie Harlan Mystery Box Set Apr 10 2021 Seattle Quake 9.2 - They knew it could happen - scientists had been warning them for years. Yet, nearly two million people living in the greater Seattle area went about their daily lives as usual. A Detective Agency thought they had found a missing woman, an upstart radio station was on the air, and an eccentric banker had just started a round of golf. Thousands were driving on freeways, shopping in malls, awaiting flights, working in downtown high-rises, and on buses in the bus tunnel. They knew -- they just didn't believe it could happen to them. Missing Heiress - The Harlan Detective Agency was the best there was when it came to finding missing people. They were also the most expensive, so it was no coincidence that they were hired to find the heir to a fortune totaling over 1.6 billion dollars. Nicholas Gladstone left everything to a granddaughter he didn't know he had until a week before he died, but which one was it - the maid secretly working in the parent's home, an office worker, or the young woman tragically killed in a car accident? Greed and a Mistress - Mark Barrett thought having an affair was no big deal as long as his wife didn't find out. That was before he got arrested for the hit-style murder of a wealthy old woman. What drew the Jackie Harlan Detective Agency to the fascinating trial in Portland, Oregon was the hope of finding a child that had been missing for years.

Horrid Henry's Underpants Jul 26 2022 DISCOVER THE SERIES BOYS AND GIRLS AROUND THE WORLD LOVE TO READ! Horrid Henry makes a deal with his parents in return for eating his veggies; accidentally wears girls' underwear to school; tries to prove he is sicker than his brother; and writes the meanest thank-you cards ever (and makes money on it too). Francesca Simon is one of the world's best-loved children's authors. She is the only American to have ever won the Galaxy Book Award, and her creation, Horrid Henry, is the #1 bestselling chapter book series in the UK—with a hit TV show and over fifteen million copies sold! Each book contains four easy-to-read stories and hilarious illustrations by the one and only Tony Ross, so even the most reluctant of readers won't be able to resist Henry's amazing talent for trouble! PRAISE FOR HORRID HENRY "Henry's over-the-top behavior, the characters' snappy dialogue, and Ross's hyperbolic line art will engage even the most reluctant readers."

Publishers Weekly "Like Dennis the Menace and Curious George, Horrid Henry is either finding trouble or creating it, and the kids are crazy about his antics." Meredith

Smith, grade school teacher, DolceBellezza.blogspot.com "Kids will love reading the laugh-out-loud funny stories about someone whose behavior is even worse than their own." School Library Journal "Will make you laugh out loud." Sunday Times Why Horrid Henry? Kids love it! "I love the Horrid Henry books by Francesca Simon. They have lots of funny bits in. And Henry always gets into trouble!" Mia, age 6, BBC Learning is Fun "It's easy to see why Horrid Henry is the bestselling character for 5-8 year olds." Liverpool Echo Because it's funny "My two boys love this book and I have actually had tears running down my face and had to stop reading because of laughing so hard. My oldest son is rereading all the books in this series on his own now and he still loves them. Happy reading!" T. Franklin, Parent "A modern comic classic." SF Said, Guardian Children's Books Supplement Kids get to be harmlessly rebellious "Henry is a beguiling hero who has entranced millions of reluctant readers... little rebels will love this collection and even little angels will be secretly thrilled by Henry's anti-heroic behaviour." Herald Henry's naughtiness is a yardstick against which children can get a sense of their own moral goodness and social justice "What is brilliant about the books is that Henry never does anything that is subversive. She creates an aura of supreme naughtiness (of which children are in awe) but points out that he operates within a safe and secure world." Emily Turner, Angels And Urchins Magazine Reaches the most important age group - children who are learning to read "I have tried out the Horrid Henry books with groups of children as a parent, as a babysitter, and as a teacher. Children love to either hear them read aloud or to read them themselves. The books are spot on for the 5-8 age range and are fun for the adults who share them too." Danielle Hall, Teacher The structure provides new readers with a real sense of accomplishment "My son is 7 years old and a big Horrid Henry fan. This book lived up to his expectations! Horrid Henry is like most boys: he always has a plan and is always getting into mischief! It was amusing, and he could not put it down. Can't wait for the next. He read it cover to cover by himself in 2 days! That for me sells a book! He can't wait for the next one to be published. He has recommended it to all his friends." Mrs. Tami Gold, Parent Reaches both boys and girls equally "Wonderfully appealing to girls and boys alike, a precious rarity at this age." Judith Woods, Times Books A global publishing phenomenon with 12 million copies sold! WHAT PEOPLE ARE SAYING ABOUT HORRID HENRY: "Parents reading them aloud may be consoled to discover that Henry can always be relied upon to behave worse than any of their own offspring." Independent "An absolutely fantastic series and surely a winner with all children. My son took this book as his favourite during book week at his school and converted a few children to the cause. Long live Francesca Simon and her brilliant books! More, more please!" "My 5-year-old adores them so much he couldn't wait to start reading because of them." "I really like Horrid Henry and like reading it to my dad. It's funny!" Matthew, 9, St. Albans "Horrid Henry is a fabulous anti-hero: monstrously selfish and greedy, he does things most children only dream about... a modern comic classic." The Guardian "My 6-year-old son has now read the whole series unaided and is quite content to re-read the

stories again and again. My 5-year-old is dying to be able to read well enough so she can read them independently too!" "Henry is really naughty and makes me laugh. He's very funny and he has lots of adventures." Martha, age 5, Bella "A flicker of recognition must pass through most teachers and parents when they read Horrid Henry. There's a tiny bit of him in all of us." Child Education "It didn't even make it to the library shelves and there's a long waiting list for it! Enough said." Nancy Astee, Child Education "A definite must for every teacher - reading about Henry makes your naughtiest child seem like a saint!" "As a teacher of 8-year-olds, it's great to get a series of books my class love... They torment me to lend them the books so they can read them on their own. Need I say more?"
