**Yes, No, Maybe** Oct 28 2022 Nearly all human beings want a lasting, happy relationship, but in many cases it just doesn't work out. Some people seem always to fall in love with the wrong kind of person. With others, the relationship breaks down just when it is becoming closer. And some live with a partner but still feel lonely and isolated. What is going wrong? 'In the final analysis, fear of commitment is at the bottom of many relationship problems,' says the expert on fear of commitment Stefanie Stahl. In vivid case histories, the German psychotherapist shows the many ways in which fear of commitment manifests itself. She explains the typical behavior patterns of those who fear commitment, introducing the 'hunters', 'princesses' and 'stonewallers'. The famous German psychologist illustrates why fear of commitment is genuine fear, explains possible causes and shows how to overcome it. Anyone who has read this book will know how to recognize people who fear commitment and how to deal with them. A helpful book for those affected and for their partners.

**Getting to Maybe** Feb 20 2022 A practical, inspirational, revolutionary guide to social innovation Many of us have a deep desire to make the world around us a better place. But often our good intentions are undermined by the fear that we are so insignificant in the big scheme of things that nothing we can do will actually help feed the world's hungry, fix the damage of a Hurricane Katrina or even get a healthy lunch program up and running in the local school. We tend to think that great social change is the province of heroes - an intimidating view of reality that keeps ordinary people on the couch. But extraordinary leaders such as Gandhi and even unlikely social activists such as Bob Geldof most often see themselves as harnessing the forces around them, rather than singlehandedly setting those forces in motion. The trick in any great social project - from the global fight against AIDS to working to eradicate poverty in a single Canadian city - is to stop looking at the discrete elements and start trying to understand the complex relationships between them. By studying fascinating real-life examples of social change through this systems-and-relationships lens, the authors of Getting to Maybe tease out the rules of engagement between volunteers, leaders, organizations and circumstance - between individuals and what Shakespeare called "the tide in the affairs of men." Getting to Maybe applies the insights of complexity theory and harvests the experiences of a wide range of people and organizations - including the ministers behind the Boston Miracle (and its aftermath); the Grameen Bank, in which one man's dream of micro-credit sparked a

financial revolution for the world's poor; the efforts of a Canadian clothing designer to help transform the lives of Indigenous women and children; and many more - to lay out a brand new way of thinking about making change in communities, in business, and in the world.

Today, Maybe Dec 06 2020 Today, Maybe is a story about a little girl who is waiting for someone, a friend. She doesn't yet know who it will be. In a series of surprising and humorous encounters, several well-known characters of children's literature arrive at her door. But none of them are the one she is waiting for, and she graciously sends them all away. With her bird to keep her company and hope filling her heart, weeks and then months pass as she waits and waits. When there is a scratch at the door one night, certainty fills the little girl's heart, and she opens the door to discover true friendship is indeed worth waiting for.

**How to Use Qualitative Methods in Evaluation** Jul 01 2020 Introduces the reader to qualitative approaches--a major development in the field of evaluation during the last decade. This volume presents an introduction to the approach--differentiates it in the method and philosophy from more traditional quantitative methods; specifies the kinds of evaluation questions for which it is most appropriate; and explains the design decisions and sampling strategies which underlie its implementation. Step-by-step guides for planning and conducting fieldwork and observations; doing in-depth interviewing; analyzing, interpreting and reporting results; and many examples--from a wide range of disciplines and professions--clarify the use of qualitative methods in evaluations.

**Dad's Maybe Book** Apr 22 2022 In 2003, as an older father, O'Brien resolved to give his young sons what he wished his own father had given to him: a few scraps of paper signed "Love, Dad." Maybe a word of advice. Maybe a sentence or two about some long-ago Christmas Eve. Maybe some scattered glimpses of their aging father, a man they might never really know. In this book, O'Brien moves from soccer games to warfare to risqué lullabies, from alcoholism to magic shows to history lessons to bittersweet bedtime stories, but always returning to a father's soul-saving love for his sons. -- adapted from jacket

**Maybe I Don't Belong Here** Nov 05 2020 A Book of the Year in The Observer and The Times and winner of the Visionary Honours Award. 'David Harewood writes with rare honesty and fearless self-analysis about his experiences of racism and what ultimately led to his descent into psychosis . . . This book is, in itself, a physical manifestation of that hopeful journey.' - David Olusoga, author of *Black and British* This powerful and provocative memoir charts critically acclaimed actor David Harewood's life from working class Birmingham to the bright lights of Hollywood. He shares insights from his recovery after an experience of psychosis and uncovers devastating family history. *Maybe I Don't Belong Here* is a groundbreaking account of the impact of everyday racism on Black mental health and a rallying cry to examine the biases that shape our society. As a young actor, David had a psychotic breakdown and was sectioned under the Mental Health Act. He was physically restrained by six police officers, sedated, then hospitalized and transferred to a locked ward. Only now, thirty years later, has he been able to process what he went through. What caused this breakdown and

how did David recover to become a successful actor? How did his experiences growing up contribute to a rupture in his sense of his place in the world? David's compelling story poses the question: Is it possible to be Black and British and feel welcome and whole?

**But Like Maybe Don't?** Nov 24 2019 The creator of the Instagram sensation But Like Maybe takes us on an illustrated journey through her worst dating mistakes—a hilarious, hopeful guide to what you need to get wrong in love before you get it right. Arianna Margulis's pen was set aflame when a boyfriend took her for a walk in Central Park. She was sneak-attack dumped because she “interfered with his meditation schedule.” After a few sobs, she found her way to a Sharpie, doodled the hilarity and the heartbreak, and But Like Maybe was born. As her cartoons became an Instagram cult hit, Arianna chronicled her misadventures through modern love via a crop-topped doppelganger, equal parts optimistic and anxious, who holds tight to the belief that bae is out there. Now, with 70 never-before-seen toons, her first book is a witty and winning primer on what not to do when dating. Inspired by all the ways Arianna's gone wrong in her search for love, from planning matching outfits with her high school boyfriend without his knowledge to deplaning an aircraft because her crush texted, this charming and off-kilter anti-guide gently leads you to what matters: realizing that you're already pretty awesome. With plenty of advice for recognizing and moving on when he's just not that into you, Arianna shows how to not let a read receipt ruin your night, what to do when the slow fade commences, and how to flip the busy script on a guy. Dating can make the best of us a bit crazy. Keep this guide by your side so that the next time tequila urges you to text your ex, you can instead tell yourself . . . but like maybe don't.

**Maybe It's You** Nov 17 2021 What's standing in the way of your best life? It's not your boss, your mother or your metabolism. Maybe it's you. Lauren Handel Zander knows that people are hungry for results-oriented, no-nonsense advice. Someone to tell it to them straight. To give them not only inspiration to change, but a step-by-step plan to get it done. That's what she's done for tens of thousands of clients at Handel Group with her take-no-prisoners brand of radical personal accountability - a proven program that has worked for bestselling authors, top businesspeople, award-winning artists . . . and now, you. In Maybe It's You, you will finally and forever learn to: \*Cut the crap about being 'true to yourself', when you don't have a clue who that is. \*Tell the truth and nothing but your truth. \*Manage the head you call home. \*Get good at keeping promises to yourself. \*Find your sense of humour. Yes, it's missing. Whether you want to find love, succeed at work, fix a fractured relationship, or lose weight, Maybe It's You will offer a road map to help you finally get there.

**Getting to Maybe** Nov 29 2022 Professors Fischl and Paul explain law school exams in ways no one has before, all with an eye toward improving the reader's performance. The book begins by describing the difference between educational cultures that praise students for “right answers,” and the law school culture that rewards nuanced analysis of ambiguous situations in which more than one approach may be correct. Enormous care is devoted to explaining precisely how and why legal analysis frequently produces such perplexing situations. But the authors don't stop with mere description. Instead, Getting to Maybe teaches how to excel on law school exams by showing the

reader how legal analysis can be brought to bear on examination problems. The book contains hints on studying and preparation that go well beyond conventional advice. The authors also illustrate how to argue both sides of a legal issue without appearing wishy-washy or indecisive. Above all, the book explains why exam questions may generate feelings of uncertainty or doubt about correct legal outcomes and how the student can turn these feelings to his or her advantage. In sum, although the authors believe that no exam guide can substitute for a firm grasp of substantive material, readers who devote the necessary time to learning the law will find this book an invaluable guide to translating learning into better exam performance. "This book should revolutionize the ordeal of studying for law school exams... Its clear, insightful, fun to read, and right on the money." — Duncan Kennedy, Carter Professor of General Jurisprudence, Harvard Law School "Finally a study aid that takes legal theory seriously... Students who master these lessons will surely write better exams. More importantly, they will also learn to be better lawyers." — Steven L. Winter, Brooklyn Law School "If you can't spot a 'fork in the law' or a 'fork in the facts' in an exam hypothetical, get this book. If you don't know how to play 'Czar of the Universe' on law school exams (or why), get this book. And if you do want to learn how to think like a lawyer—a good one—get this book. It's, quite simply, stone cold brilliant." — Pierre Schlag, University of Colorado School of Law (Law Preview Book Review on The Princeton Review website) Attend a Getting to Maybe seminar! **Maybe...** May 23 2022 A trio of misbehaving, mango-loving monkeys have a close call as the creator of *Don't Worry, Little Crab* gives readers a taste of vicarious mischief. Three little monkeys and their big monkey are sitting high on a branch in the forest canopy. "OK, monkeys! I'm off," says the big monkey. "Remember . . . Whatever you do, do NOT go down to the mango tree. There are tigers down there." Mmm . . . mangoes! think the little monkeys. They LOVE mangoes. Hmm . . . Maybe . . . maybe they could just look at the mangoes. That would be OK, right? With vivid colors, bold shapes, and his trademark visual humor, Chris Haughton is back with a deliciously suspenseful cautionary tale about pushing boundaries—and indulging your more impish side (when nobody is looking).

**Maybe He Just Likes You** May 31 2020 2019 The Washington Post Best Children's Book of the Year (Erin Entrada Kelly Pick) A 2020 ALA Notable Children's Book "The novel's all-too-familiar scenario offers a springboard for discussion among middle schoolers...Easily grasped scenarios and short chapters help make this timely #MeToo story accessible to a wide audience." —Publishers Weekly (starred review) "Realistic and heartbreaking." —BCCB Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice.

**Maybe Maybe Marisol Rainey** May 11 2021 "Utterly endearing!" --Annie Barrows, New York Times-bestselling author of the *Ivy + Bean* books "Hilarious and heart-melting." --Sara Pennypacker, New York Times-bestselling author of *Pax* Introducing eight-year-old Marisol Rainey--an irresistible new character from Newbery Medal winning and New York Times-bestselling Erin Entrada Kelly! *Maybe, Maybe Marisol Rainey* is an illustrated novel about summer, friendship, and overcoming fears, told with warm humor and undeniable appeal. Fans of *Clementine*, *The Year of Billy Miller*, and *Ramona the Pest* will be thrilled to meet Marisol. Marisol Rainey's mother was born in the Philippines. Marisol's father works and lives part-time on an oil rig in the Gulf of Mexico. And Marisol, who has a big imagination and likes to name inanimate objects, has a tree in her backyard she calls Peppina . . . but she's way too scared to climb it. This all makes Marisol the only girl in her small Louisiana town with a mother who was born elsewhere and a father who lives elsewhere (most of the time)--the only girl who's fearful of adventure and fun. Will Marisol be able to salvage her summer and have fun with Jada, her best friend? Maybe. Will Marisol figure out how to get annoying Evie Smythe to leave her alone? Maybe. Will Marisol ever get to spend enough real time with her father? Maybe. Will Marisol find the courage to climb Peppina? Maybe. Told in short chapters with illustrations by the author on nearly every page, *Maybe, Maybe Marisol Rainey* is a must-have for early elementary grade readers. Erin Entrada Kelly celebrates the small but mighty Marisol, the joys of friendship, and the triumph of overcoming your fears in this stunning new novel for readers of Kevin Henkes, Meg Medina, Andrew Clements, Sara Pennypacker, and Kate DiCamillo. Features black-and-white artwork throughout by Erin Entrada Kelly.

**The Maybe Universe** Feb 26 2020 Modern science has placed before us a vast and ancient universe, one said to contain a billion trillion stars clustered in a hundred billion galaxies and to be thirteen billion years old. Our earthly home, we are told, is a tiny chunk of matter randomly formed, revolving around a mediocre star in the outlying reaches of an unspectacular galaxy. Life on earth developed by chance. We are the end result of a series of accidents. This scientific Story of Creation, though finely detailed, isn't based on cold, hard fact. Scientists proclaim, without a shred of proof, that the laws of nature remain constant through both time and space. Upon this rock they build their world. This scientific premise cannot be proved. It must be taken on faith. This book dismisses the scientific premise and explains the universe based on an equally unprovable premise: That we are created in the image of our creator, and create the material world in our image. It then sets out to prove that the universe is not a vast ancient place ruled by chance but rather exists as a reflection, or shadow, or mirror image of us.

*Maybe This Will Help* Apr 10 2021 A visual pep talk of charts and essays on feeling better about not feeling better. *Maybe This Will Help* is one part the funny and relatable graphs that fans of *Am I Overthinking This?* and of Michelle Rial know and love, and one part the honest stories behind what makes those graphs so poignant. Michelle Rial brings to light her struggles with chronic pain, grief, and creative uncertainty in a way that reflects the universality of dealing with the unthinkable. Equal parts funny and moving, this book delves into the more serious side of things, finding levity and collective experience in the invisible difficulties that so many of us face. Through humorous charts and intimate peeks into the author's life, it explores the big things that can feel unmanageable and the everyday humor that keeps us moving forward. SELF-HELP WITH HUMOR: This book brings levity and laughter to serious topics without undermining the important message and relatability that makes it resonate. BELOVED AUTHOR: Michelle Rial's first book was beloved by her tens of thousands of fans as well as by the media, including *Wired*, *Vulture*, *Book Riot*—and the *New Yorker* even published her chart-based article on "Book Publishing by the Numbers." JUST THE RIGHT TONE: This book perfectly captures trying to figure out the "magic pill" that will fix things, struggling to find peace in how things are, and the humor in even the hardest times. It makes an ideal gift for someone struggling with physical or mental pain when you want to help but aren't sure how to. Perfect for: Fans of Michelle Rial's Instagram and first book, *Am I Overthinking This?*; people in their 20s and 30s grappling with big life changes or chronic illness
