This collection of Christmas carols contains over 30 classics. It includes the complete lyrics and chord symbols for every carol, plus chord boxes for guitarists. 12 Christmas Duets for Flutes by Kenneth Baird is a delightful collection of intermediate to advanced level duets based on traditional Christmas carols. They are challenging at times (not for beginners) without being overwhelming; at times joyful, at times uplifting, at times serene. In addition to being a great resource for teachers to play at lessons with their students, these duets are suitable for informal Christmas performances and many are appropriate for church services. Note: this collection has not been arranged to be fully compatible with Mr. Baird's arrangements of these duets for any other instrument. These have been arranged specifically for flutes. Included are: Away in a Manger; Deck the Halls; Hark! The Herald Angels Sing; Joy to the World; O Come All Ye Faithful; O Come, O Come Emmanuel; O Holy Night; O Little Town of Bethlehem; Silent Night; The Wassail Song; We Wish You a Merry Christmas and What Child is This? Be certain to also check "Five More Christmas Duets" by the same composer. Raymond Briggs' charming Christmas story of the boy who builds a snowman that comes to life, and their adventures together, has become a children's classic. Its popularity has been further enhanced by frequent television broadcasts of the award winning cartoon film The Snowman. In this piano picture book, composer Howard Blake and animator Dianne Jackson have recreated the story in words, music and vivid color illustrations, based on the scenes from the film. The music, which includes the hit song Walking in the Air, is easy enough to be played by pianists of intermediate ability. This unique and irresistible book will bring the story to life, both at home and in the classroom! (Music Sales America). All your favorite Christmas Carols arranged for piano, voice and guitar. Includes 49 carols! First published in 2011, this text provides citations to the core Holst literature. The volume is intended for students and researchers, as well as those seeking an introduction to Holst. The inclusion of materials for the non- specialist seems entirely appropriate as Holst devoted much of his career to teaching amateur musicians. The contents of this book presents a selective, annotated list of essential materials published through the end of 2009, although a very few exceptions were made for a limited number of post-2009 print and web resources.
