Bureaucrazy Gets Crazier Aug 02 2020

Unmasked Jul 01 2020 In late December 2008, Ian Halperin told the world that Michael Jackson had only six months to live. His investigations into Jackson's failing health made headlines around the globe. Six months later, the King of Pop was dead. Whatever the final autopsy results reveal, it was greed that killed Michael Jackson. Friends and associates paint a tragic picture of the last years and days of his life as Jackson made desperate attempts to prepare for the planned concert series at London's O2 Arena in July 2009. These shows would have earned millions for the singer and his entourage, but he could never have completed them, not mentally, and not physically. Michael knew it and his advisors knew it. Anyone who caught even a fleeting glimpse of the frail old man hiding beneath the costumes and cosmetics would have understood that the London tour was madness. Why did it happen this way? After an intense five year investigation, New York Times bestselling author Ian Halperin uncovers the real story of Michael Jackson's final years, a suspenseful and surprising thriller.

Icons Unmasked Sep 22 2019 Ever wonder if the characters you see on TV, in movies and in comic books are hiding something behind their masks? That perhaps they're really someone -- or something -- else? When pop culture is such a huge part of our lives, we're bombarded with these characters everywhere we turn. Each time we see a new character in a movie, video game or commercial, we feel a sudden sense *deja vu*. There's something about their goofy grin, that creepy laugh, or those boogly eyes that feels eerily familiar... This got me thinking. Is anything we see ever 100% original? Or is everything we experience really just our minds piecing together past experiences to create something that feels unique and new? In *Icons Unmasked*, I'm trying to bring a new sense of discovery to characters everyone has seen hundreds of times. I wanted to recreate the experience of what it might be like to see one iconic character from your childhood for the first time as an adult. Proceed at your own caution and keep in mind the following illustrations cannot be unseen. Your childhood might possibly be destroyed forever

Unmasked Jul 25 2022 Kane Hodder. To fans, this name is synonymous with horror, an icon on the level of Bela Legosi, Boris Karloff and Vincent Price. Kane has appeared as a stunt man and actor in more than two hundred television shows and movies in a career spanning over thirty years. His role as Jason Voorhees in four consecutive films of the *Friday the 13th* series came to define the character feared by millions of fans the world over. The man behind the hockey mask would seal his fate as horror royalty years later by starring as the monster Victor Crowley in the *Hatchet* series. *Unmasked* documents the unlikely true story of a boy who was taunted and beaten relentlessly by bullies throughout his childhood. Kane only escaped his tormentors when he moved to a tiny island in the South Pacific where he lived for all of his teen years. After living shirtless in a jungle for a while, he headed back to America where he fell in love with doing stunts... only to have his love burn him, literally. For the first time ever, Kane tells the true story of the horrific burn injury that nearly killed him at the start of his career. The entire heart wrenching, inspirational story of his recovery, the emotional and physical damage it caused and his fight to break back into the industry that almost killed him... and triumphant rise to become a film legend are told in Kane's own powerful voice. Take a peek inside the head of the man behind the mask. Be inspired by his triumphant comeback and laugh at his onset hijinks as you unmask the world's most prolific, cinematic killer.

Devo: The Brand / Devo: Unmasked Jul 13 2021 A unique 2-in-1 book: flip it over when finished & begin again! DEVO: The Brand is illustrated throughout with classic Devo iconography & photos showing how DEVO was built. DEVO: Unmasked is packed with rare & unseen photos of the band from childhood to the present. Commentary is provided throughout by Jerry Casle and Mark Mothersbaugh.

Slipknot Unmasked (Again) May 31 2020 Chronologically, this updated biography deals with the band's mid 1990s formation in Iowa and reveals previously unknown facts about their origins, the author having tracked down and interviewed two founder members and the producers of their first demo. The also provided previously unpublished pictures of the band for this book.

Unmasked Sep 03 2020 Driven by a Promise. Haunted by Regret. They never saw him coming. The first book in a riveting new thriller series by USA Today Bestseller L.T. Ryan and digital forensics expert and former Detective Gregory Scott, *Unmasked* is a gripping thriller, loaded with suspense and action. "If Lee Child's Jack Reacher was an expert computer hacker, he'd be Blake Brier." A heinous crime leads the FBI in search of answers. Blake Brier finds himself sucked back into the life he left behind. As Blake grows more entangled in the plot of a hacktivist group turned terrorist organization, his life is changed forever. And when it becomes personal, Blake will stop at nothing to find the truth. Fans of Tom Clancy, Vince Flynn, Robert Ludlum, David Baldacci, and Lee Child will love the Blake Brier thriller series.

Unmasked Nov 29 2022 Telling the story of Turia's life before and after the fire, this book un masks the real Turia: funny, fierce, intelligent, flawed. *Unmasked* reveals the woman behind the headlines, and in so doing, uncovers the grace, humour and inner-steel that gets Turia Pitt through every day - and which leaves the rest of us watching on in amazement.

Esther Unmasked Jun 12 2021 Mitchell First is a very talented Jewish scholar. He is able to challenge traditional assumptions and reach new, often groundbreaking, conclusions. His articles are meticulously researched, relying both on rabbinic sources and historians of antiquity. A main article explains how both Achashverosh and Esther can be identified in ancient sources. The entire volume consists of eleven articles that address mysterious aspects of the yearly cycle of Jewish holidays and liturgy: what is the meaning of the cryptic phrase in the Sukkot liturgy Ani ve-Ho? what motivated Antiochus to persecute the Jews? what is the origin of Taanit Esther? how many questions were there in the original Mah Nishtannah? why does pe precede ayin in the acrostics of the book of

Eikhah?, and more.

A Pseudo-critic Unmasked in a Review of the Writings of E.S. Gaillard ... Oct 04 2020

Unmasked Feb 08 2021 When the mask comes off, can you handle what's underneath? When your secret identity is revealed ... When the monster is unleashed ... When the superhero's child has no power ... When Death himself is caught unawares ... Pull back the mask to reveal 21 tales from seasoned and award-winning authors, of magical masks, gas masks, death masks, superheroes, secret identities, disguised robots, alien symbionts, a Napoleonic thief, a swindling demon—even a hidden clown. Who will take the risk? Explore the masks we wear, the mysteries they conceal, and the price we pay when they're stripped away. Join us in our unmasquerade as we revel in—revelation!

The Effects of Video Games on Children Oct 24 2019 The rapid growth in popularity of computer and video games, particularly among children and teenagers, has given rise to public concern about the effects they might have on youngsters. The violent themes of many of these games, coupled with their interactive nature, have led to accusations that they may be worse than televised violence in affecting children's antisocial behaviour. Other allegations are that they have an addictive quality and that excessive playing results in a diminished social contact and poorer school performance. But how bad are video games? There are strong methodological reasons for not accepting the evidence for video games effects at face value. There are also positive signs that playing these games can enhance particular mental competencies in children. This book provides an up-to-date review and critique of research evidence from around the world in an attempt to put the issue of video game effects into perspective.

Tyranny Unmasked Dec 18 2021 John Taylor of Caroline (1753-1824) was one of the foremost philosophers of the States' rights Jeffersonians of the early national period. In keeping with his lifelong mission as a "minority man," John Taylor wrote "Tyranny Unmasked" not only to assault the protective tariff and the mercantilist policies of the times but also "to examine general principles in relation to commerce, political economy, and a free government." Originally published in 1822, it is the only major work of Taylor's that has never before been reprinted. As an early discussion of the principles of governmental power and their relationship to political economy and liberty, "Tyranny Unmasked" is an important primary source in the study of American history and political thought. F. Thornton Miller is Professor of History at Southwest Missouri State University.

Batman Unmasked Mar 29 2020 Over the sixty years of his existence, Batman has encountered an impressive array of cultural icons and has gradually become one himself. This fascinating book examines what Batman means and has meant to the various audiences, groups and communities who have tried to control and interpret him over the decades. Brooker reveals the struggles over Batman's meaning by shining a light on the cultural issues of the day that impacted on the development of the character. They include: patriotic propaganda of the Second World War; the accusation that Batman was corrupting the youth of America by appearing to promote a homosexual lifestyle to the fans of his comics; Batman becoming a camp, pop culture icon through the ABC TV series of the sixties; fans' interpretation of Batman in response to the comics and the Warner Bros. franchise of films.

The Lewis Chessmen Unmasked Sep 15 2021 This book was written to accompany a travelling exhibition about new research on the Lewis chessmen. National Museums Scotland and the British Museum partnered in creating the exhibition, *The Lewis Chessmen: Unmasked*.

Grand Orient Freemasonry Unmasked Aug 22 2019 The original title of this book, which was compiled from a series of lectures delivered in Edinburgh in October, 1884 by Mgr. Dillon, was *The War of Antichrist with the Church and Christian Civilization*. The author wrote it "in order to do his part in carrying out the instruction given by the Sovereign Pontiff in the Encyclical *Humanum Genus* when he called upon the pastors of souls, to whom it was addressed, to 'instruct the people as to the artifices used by societies of this kind in seducing men and enticing them into their ranks, and as to the depravity of their opinions and the wickedness of their acts'. Mgr. Dillon's work has already been honoured by the Holy Father himself with so marked and so unusual an approbation that there is no need for us to accord it any further praise than merely to take note of the fact. The book was presented to His Holiness, accompanied by an Italian version of its table of contents, and of long extracts from its principal sections, and Leo XIII was pleased to order that the Italian version should be completed, and the book printed and published at Rome at his own expense." (The Month, Sept. 1885). Despite the fact that the lectures were delivered by a Catholic prelate to an audience composed mainly of members of his own faith, we feel that the subject of international political skulduggery is one which cannot fail to interest Catholic and non-Catholic alike, the more so indeed since events in the course of the decades following the original publication of this book have confirmed the lecturer's thesis. The last four editions have appeared under the title of *Grand Orient Freemasonry Unmasked*. Mgr. Dillon does not speak explicitly of the two currents of thought and action proceeding from the Masonic French Revolution, namely, the current of Rousseauist-Lockian Masonic Liberalism and the current of Socialism and Communism. Implicitly, however, he does so when, on the one hand, he foreshadows the United States of Europe and World Federalism and, on the other, quotes the infamous Declaration of the International in 1868. This Declaration, formulated at the International Congress held at Geneva in 1868 and quoted by Mgr. Dillon in his preface, is well worth reproducing, at least in part. It runs as follows: "The object of the International Association of Workmen, as of every other Socialist Association, is to do away with the parasite and the pariah. Now what parasite can be compared to the priest. "God and Christ, these citizen-Providences, have been at all times the armour of Capital and the most sanguinary enemies of the working classes. It is owing to God and to Christ that we remain to this day in slavery. It is by deluding us with lying hopes that the priests have caused us to accept all the sufferings of this earth. It is only after sweeping away all religion, and after tearing up even to the last roots every religious idea that we can arrive at our political and social ideal. "Down, then, with God and with Christ! Down with the despots of heaven and earth! Death to the priests! Such is the motto of our grand crusade." In a note on page 20 of the original edition Mgr. Dillon returned to the question of the direction of Freemasonry, which he had mentioned in his preface. He there says: "The Jewish connection with modern Freemasonry is an established fact everywhere manifested in its history. The Jewish formulas employed by Freemasonry, the Jewish traditions which run through its ceremonial, point to a Jewish origin, or to the work of Jewish contrivers Who knows but behind the Atheism and desire of gain which impels them to urge on Christians to persecute the Church and destroy it, there lies a hidden hope to reconstruct their Temple, and in the darkest depths of secret society plotting there lurks a deeper society still which looks to a return to the land of Judah and to the rebuilding of the Temple of Jerusalem?"

Mind Unmasked Mar 09 2021 The human mind has proven uniquely capable of unraveling untold mysteries, and yet, the mind is fundamentally challenged when it turns back on itself to ask what it itself is. How do we conceive of mind in this postmodern world; how can we use philosophical anthropology to understand mind and its functions? While philosophers and social scientists have made important contributions to our understanding of mind, existing theories are insufficient for penetrating the complexities of mind in the twenty-first century. *Mind Unmasked: A Political Phenomenology of Consciousness* draws on twentieth-century philosophies of consciousness to explain the phenomenon of mind in the broadest sense of the word. Michael A. Weinstein and Timothy M. Yetman

develop a thought provoking discourse that moves beyond the nature of the human experience of mind at both the individual and interpersonal levels and present a meditation on life in the contemporary world of global mass-mediated human culture.

Unmasked Feb 20 2022 A journalist who's been attacked by Antifa writes a deeply researched and reported account of the group's history and tactics. When Andy Ngo was attacked in the streets by Antifa in the summer of 2019, most people assumed it was an isolated incident. But those who'd been following Ngo's reporting in outlets like the New York Post and Quillette knew that the attack was only the latest in a long line of crimes perpetrated by Antifa. In *Unmasked*, Andy Ngo tells the story of this violent hate group from the very beginning. He includes interviews with former members of the group, people who've been attacked by them, and incorporates stories from his own life. The book will contain a trove of documents obtained by the author that he will publish for the first time in this book.

The Inquisition Unmasked Jan 27 2020

Bible Truths Unmasked Apr 29 2020 Revised and Updated. Original Publication in 1950

Unmasked Dec 26 2019

The Black Book Nov 05 2020

Batman Unmasked Feb 26 2020 A work of scholarship and a labor of love. "This is the definitive history of the Batman in all media: comics, film, television and the internet. The book's combination of rigorous historical research and a witty, fluid writing style make it both vastly instructive and vastly entertaining."--Roberta Pearson, editor of *The Many Lives of the Batman* "Will appeal to avid students of pop culture and comics, and a gay cult audience...Brooker's impressive overview of Batman's history reflects on the masked one's origins, early arch rivals and the introduction of Robin, and concentrates on four periods: WWII, the mid 1950s, the '60s and the '90s. In 1954, child psychologist Fredric Wertham attacked the comic book industry noting homoerotic undercurrents between Batman and Robin; Brooker's lengthy and fascinating 'gay reading' supports Wertham's claim, albeit with a positive, postmodern twist. After recalling the campy image of Batman spawned by ABC's 1960s TV show, the author takes a look at Batman writers, fans, fanzines and the Net, concluding with a hilarious chapter on how his research was ridiculed by the British media." -Publishers Weekly "Brooker's account is bolstered by his fan expertise. This book usefully expands upon *The Many Lives of Batman*. Recommended"--Library Journal "A historical, detailed, deep analysis of Batman as a cultural icon in America. This isn't a simple polemic or surface-shallow analysis. This is deep stuff-analyzing art styles, histories, individual panels, cultural concepts, and historical documents. plenty of startling revelations and analyses. This is a stunningly well-done, intelligent book. It's proof that comics are not throwaway ephemera, but real, vital, analyzable parts of our culture. It's also a must-have for the hardcore Batman fan and comics fan-who doesn't mind some ideas being challenged."--www.super-heroes.net "Brooker cuts through the mumbo jumbo to deliver incisive analysis and very sharp reporting, particularly on the comic book's homoerotic subtext and on the 60's TV show's knowing self-mockery, as well as on how the 'official' 21st Century Batman nods to both."--Entertainment Weekly Over the sixty years of his existence, Batman has encountered an impressive array of cultural icons and has gradually become one himself. This fascinating book examines what Batman means and has meant to the various audiences, groups and communities who have tried to control and interpret him over the decades. Brooker reveals the struggles over Batman's meaning by shining a light on the cultural issues of the day that impacted on the development of the character. They include: patriotic propaganda of the Second World War; the accusation that Batman was corrupting the youth of America by appearing to promote a homosexual lifestyle to the fans of his comics; Batman becoming a camp, pop culture icon through the ABC TV series of the sixties; fans' interpretation of Batman in response to the comics and the Warner Bros. franchise of films.

Unmasked Nov 24 2019 "You have the luck of Croesus on stilts (as my Auntie Vi would have said) if you've had the sort of career, ups and downs, warts and all that I have in that wondrous little corner of show business called musical theatre."

Jesus Unmasked Sep 27 2022 Jesus Christ is the most famous man in human history, but exactly who was He? Some say a fable; others think just one option among many good teachers, or even a nice guy who taught morals. Do any of these descriptions capture the totality of who He was? *Jesus Unmasked* goes directly to the world's greatest expert on Jesus Christ, Jesus Himself. Who Jesus said He was and why He said it the way He did What historical accounts and Biblical details reveal versus what we assume Why 4000 years of history, prophecy and chronology force every human being to render their verdict about this one man. When you encounter *Jesus Unmasked*, you will not be ambivalent. Jesus gives us clarity and insight into the nature of God. Interact with what Jesus taught about Himself and draw your own conclusions to the world's most important question: "Who is the real Jesus?"

Vegetarianism Unmasked May 11 2021 *Vegetarianism Unmasked* is a book that is going to deal with the most important issues on becoming or being a vegetarian today. The book is going to be based on my own experience being a vegetarian and studying about it for almost 30 years. Throughout all these years i have socialized and lived with many vegans, ovo lacto, lacto, and ovo vegetarians that came from all walks of lives. With many reasons why they choose to become a vegetarian from a religious, humane, ecological, and dietary reasons. The book will be written on this vast amount of experience and from new medical and scientific findings shading light to some of the difficulties that vegetarians especially in western societies face today. If after you read this book you still decide to become or continue being a vegetarian it will definitely be with both feet solidly planted on the ground and not on baseless emotions.

Zodiac Unmasked Jan 19 2022 A former San Francisco Chronicle reporter continues his account of the series of murders committed in California beginning in 1968, in which letters were sent to the Chronicle announcing the crimes and signed with a symbol from the Zodiac, by revealing the final solution to the crimes, which baffled investigators for more than thirty years. Reprint.

Masking Unmasked Aug 26 2022 Acting with masks is one of the most ancient stage techniques still in use today. *Masking Unmasked* is a basic guide to using this ancient art to develop character and movement in four sections that correspond to mask size: Full-Face Masks, Clowning, Bag Masks, and Half-Face Masks. Each section addresses fundamental acting principles and shows how the ancient technique can be applied to the contemporary stage. It is the perfect book to use as background to traditional, non-masked acting principles. For instance, mask acting provides a great way of strengthening core acting skills. Actors in masks experience the primary goal of acting because they are required to tap into profound physical, vocal, emotional, and psychological transformations in the course of creating a character. In addition, masking promotes honest, believable, and detailed work. Illustrated profusely throughout, the hands-on exercises developed by Simon teach actors to shift cleanly between beats, execute moment-to-moment specificity, unleash creative impulses, take risks and expand character range, power and vulnerability. *Masking Unmasked* is a book of ancient acting techniques that are indispensable for the actor of today.

Ageism Unmasked May 23 2022 Why do we still tolerate stereotypes and discrimination based on age? This bold account of the history and present-day realities of ageism by a nationally recognized gerontologist and speaker uncovers ageism's roots, impact, and how each of us can create a new reality of elderhood. Ageism Unmasked shifts the lens, enabling us to see that we tolerate, and sometimes actively promote, attitudes and behaviors toward differently aged people that we would reject and condemn if applied to any other group. It peels back the layers to expose how cultural norms and unconscious prejudices have seeped into our lives, silently shaping our treatment of others based on their age and our own misconceptions about aging—and about ourselves. Offering an all-inclusive approach, Dr. Tracey Gendron reveals the biases behind our false understanding of aging, sharing powerful opportunities for personal growth along with strategies to help create an anti-ageist society. Ageism Unmasked will help readers let go of our desperate need to stay young... exposing how we personally, systematically, structurally, and institutionally stigmatize being old. Ageism Unmasked will help readers appreciate both the challenges and opportunities of how we all age... showing how ageism is prejudice towards both younger and older people. Ageism Unmasked will help readers reset our expectations for getting old... providing the tools to anticipate and experience elderhood as a time of renewed meaning and purpose, empowering each of us to create our own definition of successful aging. Ageism Unmasked continues Dr. Gendron's transformative work inspiring people of all ages to embrace aging as our universal and lifelong process of developing over time — biologically, psychologically, socially, and spiritually.

Unmasked Aug 14 2021 As she lay dying, Elena is offered the opportunity to live by the Guardians if she can return to her senior year of high school and prove that she can exist beside Damon and Stefan without either of them killing a human.

Harlequin Unmasked Apr 10 2021 "The volume focuses on nearly 150 porcelain sculptures, representing more than twenty European ceramic manufacturers. The authors investigate the history of the commedia dell'arte's transformation into sculpture: Why were the figures made? Why do they appear as they do? What inspired their gestures and costumes? How did street theatre themes become integrated into court life and entertainment? Examining these porcelain figures in greater breadth and detail than any publication ever has done before, this book is essential for those interested in theatre, painting, costume, and the decorative arts."--BOOK JACKET.

Satan Unmasked Oct 16 2021 Join best-selling author Dr. James B. Richards on a journey of deeper understanding as he exposes the truth of Satan and his so-called power. You will discover how the traditions of the past have presented a distorted image of the enemy's power versus the ultimate power of the finished work of Jesus.

Unmasked Nov 17 2021 "You have the luck of Croesus on stilts (as my Auntie Vi would have said) if you've had the sort of career, ups and downs, warts and all that I have in that wondrous little corner of show business called musical theatre."

9/11 Unmasked Mar 21 2022 A panel of experts highlight the problems with all major claims of the official account of the 9/11 attacks. Many Americans have been embarrassed by the Trump presidency. But Americans should also be embarrassed by the fact that this country's foreign policy since 2001, which has resulted in millions of deaths, has been based on a complex deception. 9/11 Unmasked is the result of a six-year investigation by an international review panel, which has provided 51 points illustrating the problematic status of all the major claims in the official account of the 9/11 attacks, some of which are obviously false. Most dramatically, the official account of the destruction of the Twin Towers and World Trade Center 7 could not possibly be true, unless the laws of physics were suspended that day. But other claims made by the official account—including the claims that the 9/11 planes were taken over by al-Qaeda hijackers, that one of those hijackers flew his plane into the Pentagon, and that passengers on the planes telephoned people on the ground—are also demonstrably false. The book reports only points about which the panel reached consensus by using the "best-evidence" consensus model employed in medical research. The panel is composed of experts about 9/11 from many disciplines, including physics, chemistry, structural engineering, aeronautical engineering, and jurisprudence.

Cystitis Unmasked Apr 22 2022 Modern science has shown that the widely held beliefs of clinicians about urinary tract infection (UTI) are wrong. A large body of meticulous, rigorous data, from different centres around the world makes this point. How can it be that doctors continue to practise in contradiction of what we now know? A few clinicians are now changing their approach with gratifying results so it is timely to encourage others to do likewise. Clinical guidelines have achieved such influence that most doctors feel compelled to follow them and may face censure if they do not. Regrettably the guidelines are mistaken and contradict the known science. The inertia of bureaucracy and the fear of antimicrobial resistance (AMR) do not help to encourage reflection. However, things are changing and the future should see new and better informed advice. It is a tragedy that these circumstances are leading to widespread suffering amongst many women, some men and children who experience untreated or inadequately treated infection that may plague them for years. This situation has to change. This book sets out the truth about this neglected field and explains the many errors that haunt the topic. The style makes the message accessible to all clinicians. The story is convincing, because the clinical stories that illustrate the text will be so familiar to practising clinicians, who have been baffled by their experiences. Above all, this book will help you and your patients by detailing an accessible, practical approach to resolving this difficult clinical problem in common practice. The scope of the book will cover: the history of the medicine of urinary tract infection (UTI); the urinary microbiome and what the microbes are really up to; the battles between the pathogens and the innate immune system; the truth about the tests and the criteria used to define UTI; antimicrobial resistance and the importance of Darwinian evolution; the science and ground-breaking research on UTIs; the use of antibiotics; successful treatment; supportive and other related treatments; ethics; the future; and, above all, the experiences of the patients. James Malone-Lee is an Emeritus Professor of Medicine at University College London (UCL). For 37 years as a clinical scientist at UCL he studied lower urinary tract symptoms. His research group made discoveries that challenged numerous strongly held beliefs about lower urinary tract disease, particularly infection. For many years this new knowledge was rejected by many, but in the wake of corroborative evidence from others around the world, this new thinking is becoming more widely accepted.

Unmasked! Jan 07 2021 The dark tale of the roaring '20s KKK. Irony amongst the ashes, as well as a ray of hope that offers illumination for our time.

Vaticanism Unmasked Dec 06 2020

Unmasked Jun 24 2022 *** THE NEW YORK TIMES BESTSELLER *** From the detective who helped catch the Golden State Killer, a memoir about investigating America's toughest cold cases, and the rewards - and toll - of a life spent solving crime. For a decade, from 1973, The Golden State Killer stalked and murdered Californians in the dead of night, leaving entire communities afraid to turn off the lights. Then he vanished, and the case remained unsolved. In 1994, when cold-case investigator Paul Holes came across the old file, he swore he would unmask GSK and finally give these families closure. Twenty-four years later, Holes fulfilled that promise, identifying 73-year-old Joseph J. DeAngelo. Headlines blasted around the world: one of America's most prolific serial killers had

been caught. That case launched Paul's career into the stratosphere, turning him into an icon in the true-crime world. But while many know the story of the capture of GSK, until now, no one has truly known the man behind it all. In UNMASKED, Paul takes us through his memories of a storied career and provides an insider account of some of the most notorious cases in contemporary American history, including Laci Peterson's murder and Jaycee Dugard's kidnapping. But this is also a revelatory profile of a complex man and what makes him tick: the drive to find closure for victims and their loved ones; the inability to walk away from a challenge - even at the expense of his own happiness. This is a story about the gritty truth of crime solving when there are no 'case closed' headlines. It is the story of a man and his commitment to his cases, and to the people who might have otherwise been forgotten.

Unmasked Dec 30 2022 In this #1 national bestseller, a journalist who's been attacked by Antifa writes a deeply researched and reported account of the group's history and tactics. When Andy Ngo was attacked in the streets by Antifa in the summer of 2019, most people assumed it was an isolated incident. But those who'd been following Ngo's reporting in outlets like the New York Post and Quillette knew that the attack was only the latest in a long line of crimes perpetrated by Antifa. In Unmasked, Andy Ngo tells the story of this violent extremist movement from the very beginning. He includes interviews with former followers of the group, people who've been attacked by them, and incorporates stories from his own life. This book contains a trove of documents obtained by the author, published for the first time ever.

Liberalism Unmasked Oct 28 2022 Liberalism Unmasked, a treatise against the Left, diagnoses and disarms modern Liberalism. With its theory of Liberalism as a diagnosable mental illness and its thorough dismantling of dozens of Liberal arguments, Liberalism Unmasked demolishes the international Left from the ground up. Supported by historical evidence, ruthless logic, and hundreds of sources, including local newspapers from around the world, academic journals, and government reports, Liberalism Unmasked surveys not only American politics, but also European and global politics, in one of the most relentless assaults on modern Liberalism to date. Provocative, horrifying, and at times inspiring, Liberalism Unmasked confronts the contemporary globalist project, assails the misgivings of the modern world, and provides a roadmap out of our dystopian nightmare -- all by revealing the true face of Liberalism, without the mask.
