Impact Measurement and Accountability in Emergencies
Nov 05 2020 This pocket guide presents some tried and tested methods for putting impact measurement and accountability into practice throughout the life of a project. It is aimed at humanitarian practitioners, project officers and managers with some experience in the field, and draws on the work of field staff, NGOs, and inter-agency initiatives, including Sphere, ALNAP, HAP International, and People in Aid.

Good Enough Mar 09 2021 Paula Yoo scores big in her hilarious debut novel about an overachiever who longs to fit in and strives to stand out. The pressure is on! How to make your Korean parents happy: 1. Get a perfect score on the SATs. 2. Get into HarvardYalePrinceton. 3. Don't talk to boys.* Patti's parents expect nothing less than the best from their Korean-American daughter. Everything she does affects her chances of getting into an Ivy League school. So winning assistant concertmaster in her All-State violin competition and earning less than 2300 on her SATs is simply not good enough. But Patti's discovering

that there's more to life than the Ivy League. To start with, there's Cute Trumpet Guy. He's funny, he's talented, and he looks exactly like the lead singer of Patti's favorite band. Then, of course, there's her love of the violin. Not to mention cool rock concerts. And anyway, what if Patti doesn't want to go to HarvardYalePrinceton after all?

*Boys will distract you from your studies.

The Good Enough Parent: How to raise contented, interesting and resilient children Jan 27 2020 Raising a child to be an authentic and mentally robust adult is one of life's great challenges. It is also, fortunately, not a matter of luck. There are many things to understand about how children's minds operate and what they need from those who look after them so they can develop into the best version of themselves. The Good Enough Parent is a compendium of lessons, including ideas on how to say 'no' to a child one adores, how to look beneath the surface of 'bad' behaviour to work out what might really be going on, how to encourage a child to be genuinely kind, how to encourage open self expression, and how to handle the moods and gloom of adolescence. Importantly, this is a book that knows that perfection is not required – and could indeed be unhelpful, because a key job of any parent is to induct a child gently into the imperfect nature of everything. Written in a tone that is encouraging, wry and soaked in years of experience, The Good Enough Parent is an intelligent guide to raising a child who will one day look back on their childhood with just the right

mixture of gratitude, humour and love.

Good Enough Endings Aug 22 2019 In the relational literature, the subject of termination - the ending of an analysis - has received scant attention, and traditional Freudian or ego-psychological criteria are not always enough to assess the readiness to terminate therapy in the coconstructed, intersubjective analytic relationship. *Good Enough Endings* seeks to remedy this gap, bringing together contributions from contemporary relational thinkers, while at the same time engaging with ideas from other psychoanalytic perspectives. Topics given consideration include: Can there be a relational criteria or paradigm for termination, and what would it include? How do treatment goals of the analyst and/or that of the patient affect the decision to terminate? How do recent developments in attachment theory and research influence the preparation to end analysis? What occurs for the patient after termination, and how do we assess the need for follow-up? Integrating elements of existing psychoanalytic theory with the fruits of the relational turn, *Good Enough Endings* expands and expounds upon the relational considerations in ending analysis, providing a resource for reflection and insight into the final - and perhaps most difficult - aspect of psychoanalytic treatment.

Sorry Isn't Good Enough Feb 08 2021 No one can know what happened that summer... 'Gripping and surprising, and at turns chilling and heartbreaking. Stephanie's story

will stay with me for a long time.' MELANIE GOLDING

It is 1966, and things are changing in the close-knit Napier Road. Stephanie is 9 years old, and she has plans: 1. Get Jesus to heal her wonky foot 2. Escape her spiteful friend Dawn 3. Persuade her mum to love her But everything changes when Stephanie strikes up a relationship with Mr Man, who always seems pleased to see her. When Dawn goes missing in the woods during the World Cup final, no one appears to know what happened to her - but more than one of them is lying. May 1997. Stephanie has spent her life trying to bury the events of that terrible summer. But when a man starts following her on the train home from London, she realises the dark truth of what happened may have finally caught up with her...

A good enough parent Oct 24 2019

Good Enough Jun 24 2022 Have you ever felt average? That you're not special or extraordinary, just . . . normal? And that chances are society's obsession with always being the best and smashing life is setting us up for failure? Years of striving and pushing to be better than everyone else are breaking us. Fear of disappointment and our pursuit of someone else's definition of success tell us we're not enough. They tell us to work late, then work hard in the gym, overcommit, then post about #selfcare on our painstakingly curated social media feeds. They tell us to push ourselves until we break, all to prove our worth, to show we deserve our place. But are we tolerating the lows

to reach the fleeting highs, and are we missing all the good stuff along the way? Why are we programmed to live like this, and is it society that needs to change, not us? One thing's for sure - it's better to be average and happy than exceptional and miserable. We're all good enough, just as we are.

Good Enough for Government Work Dec 26 2019

American government is in the midst of a reputation crisis. An overwhelming majority of citizens—Republicans and Democrats alike—hold negative perceptions of the government and believe it is wasteful, inefficient, and doing a generally poor job managing public programs and providing public services. When social problems arise, Americans are therefore skeptical that the government has the ability to respond effectively. It's a serious problem, argues Amy E. Lerman, and it will not be a simple one to fix. With *Good Enough for Government Work*, Lerman uses surveys, experiments, and public opinion data to argue persuasively that the reputation of government is itself an impediment to government's ability to achieve the common good. In addition to improving its efficiency and effectiveness, government therefore has an equally critical task: countering the belief that the public sector is mired in incompetence. Lerman takes readers through the main challenges. Negative perceptions are highly resistant to change, she shows, because we tend to perceive the world in a way that confirms our negative stereotypes of

government—even in the face of new information. Those who hold particularly negative perceptions also begin to “opt out” in favor of private alternatives, such as sending their children to private schools, living in gated communities, and refusing to participate in public health insurance programs. When sufficient numbers of people opt out of public services, the result can be a decline in the objective quality of public provision. In this way, citizens’ beliefs about government can quickly become a self-fulfilling prophecy, with consequences for all. Lerman concludes with practical solutions for how the government might improve its reputation and roll back current efforts to eliminate or privatize even some of the most critical public services.

Strong Enough Mar 21 2022 I wasn't looking for Derek Wolfe. I wasn't looking for anybody. All I wanted was to start a new life in America. But when I found myself stranded here with no place to go, he came to my rescue, offering me a place to stay. He's smart, successful, and sexy as hell-I can barely sleep knowing he's right down the hall. And when the chemistry between us explodes one night with fierce, fiery passion, it's hard to deny there's something real there. But he does. He says he was drunk. He says it was a one-time thing. He says he's not into guys and what we did meant nothing. He's lying. Because it happened again, and again, and again. And it's better every time. I know we could be good together, and I want the chance to try, but I'm done hiding. If he's not

strong enough to admit the truth, I'll have to be strong enough to walk away.

How Good Is Good Enough? Sep 22 2019 Surely there's more than one way to get to heaven? Bestselling author Andy Stanley addresses this popular belief held even among Christians. But believing that all good people go to heaven raises major problems, Stanley reveals. Is goodness not rewarded, then? Is Christianity not fair? Maybe not, he says. Readers will find out why Jesus taught that goodness is not even a requirement to enter heaven - and why Christianity is beyond fair. Andy Stanley leads believers and skeptics alike to a grateful awareness of God's enormous grace and mercy. **Good People Go to Heaven...Don't They?** Sure they do. It only makes sense. Actually, it doesn't really make any sense at all. Smart, educated, accomplished men and women everywhere are banking their eternities on a theory that doesn't hold water. Chances are, you've never really thought it through. But you owe it to yourself to do so. Find out now what's wrong with the most popular theory about heaven—and what it really takes to get there.

Good Enough: A Novel May 23 2022 A young girl with an eating disorder must find the strength to recover in this moving middle-grade novel from Jen Petro-Roy Before she had an eating disorder, twelve-year-old Riley was many things: an aspiring artist, a runner, a sister, and a friend. But now, from inside the inpatient treatment center where she's receiving treatment for anorexia, it's easy to

forget all of that. Especially since under the influence of her eating disorder, Riley alienated her friends, abandoned her art, turned running into something harmful, and destroyed her family's trust. If Riley wants her life back, she has to recover. Part of her wants to get better. As she goes to therapy, makes friends in the hospital, and starts to draw again, things begin to look up. But when her roommate starts to break the rules, triggering Riley's old behaviors and blackmailing her into silence, Riley realizes that recovery will be even harder than she thought. She starts to think that even if she does "recover," there's no way she'll stay recovered once she leaves the hospital and is faced with her dieting mom, the school bully, and her gymnastics-star sister. Written by an eating disorder survivor and activist, *Good Enough* is a realistic depiction of inpatient eating disorder treatment, and a moving story about a girl who has to fight herself to survive.

"I'll Try" Is Not Good Enough ... May 31 2020 If people could change their competencies and characteristics at will, personal development would be a relatively simple matter. However, there are many reasons why people consciously or unconsciously tend to resist change. The purpose of this book is to make you aware of techniques for overcoming resistance to change and meaningfully influence the change process in others. Knowledge of these techniques will allow you to formulate and execute truly effective personnel planning and development. An individual's behavior is a function of their innate capacity,

their level of awareness, their motivation, and their competence to execute their work responsibilities. Behavior is profoundly influenced by each of these factors. Positively impacting an individual is essentially a matter of altering one or more of these factors that are an impediment to behavior change.

Never Good Enough Oct 04 2020 A thoughtful and provocative critique of job training in the health care sector.

Good Enough Oct 28 2022 ***THE INSTANT NEW YORK TIMES BESTSELLER*** We begin to feel less alone, more loved and less judged when good is . . . enough. In this collection of 40ish short spiritual devotionals, *Good Enough* reveals the small things we can do to inch toward a deeper, richer, truer kind of faith. Through blessings, prayers and human truths, learn to live with imperfection in a culture of self-help that promotes endless progress, and discover a companion for when you want to stop feeling guilty that you're not living your best life now. Hailed by Glennon Doyle as 'the Christian Joan Didion', in these gorgeously written reflections Kate Bowler and Jessica Richie proffer fresh imagination for how truth, beauty, and meaning can be discovered amidst the chaos of life. Their words celebrate kindness, honesty and interdependence in a culture that rewards ruthless individualism and blind optimism. Ultimately, in these pages we can rest in the encouragement to strive for what is possible today - while recognising that though we are

finite, the life in front of us can still be beautiful.

A Good Enough Mother Dec 06 2020 The most dangerous lies are the ones we tell ourselves... 'Excellent . . . A gripping debut.' Sunday Times 'Taut, absorbing and psychologically astute.' Paula Hawkins, author of *The Girl on the Train* Dr Ruth Hartland is the director of a highly respected trauma therapy unit. She is confident, capable and excellent at her job. But she is finding it hard to maintain. Increasingly preoccupied by her son Tom's disappearance, Ruth is shaken when a new patient arrives at the unit - a young man who looks shockingly like him. As a therapist, she knows exactly what she should do. But as a mother she makes a very different choice - a decision that will have profound consequences. What readers are saying: 'The psychological pull of this novel was so intense, I flew through it in no time at all.' 'A heart-stopping mother's story of love and loss, and a riveting drama that lets us inside the secret world of therapist and patient.' 'A beautifully crafted book with a compelling and emotionally consuming narrative.' 'Brilliantly compassionate and satisfying read. Good to the last page.'

Cher Oct 16 2021 Throughout her astonishing fifty-year career - which has encompassed TV triumphs, a string of international hits, an Oscar statuette and a Las Vegas residency - Cher's personal life has continually made front-page news. In the shadow of her success, Cher has married twice, battled depression, defied the censors, and dealt with the tragedy of Sonny Bono's early death.

Including exclusive interviews with Cher and those she has worked with on and off stage, *Strong Enough* documents the ins, outs, ups and downs of a one-name American icon at her outrageous best - by the writer behind Cher's Vegas tour programmes.

How to be a Good Enough GP Jun 12 2021 The upheavals of the NHS reforms have caused a great deal of stress and uncertainty in primary care, and professional development and support for general practitioners needs to take account of this. This book offers a group supervision model which can be used to develop the core competencies needed for GPs to make the new primary care organisations work. The book analyses how primary care professionals have dealt with the various reforms of the past decade, and picks apart the paralysing culture of politeness, conflict avoidance and rivalry for power, to reveal how at the core of reform is the struggle for each GP to construct a new professional identity which integrates medicine, management and politics. It proposes ways GPs can benefit from these experiences to become equipped with the necessary competencies to be active members or dynamic leaders in the new primary care organisations. The doctor-patient relationship is no longer one-to-one, but located within a group matrix, in the same way that a GP is now required to work within a group framework. This book enables GPs to develop the essential group skills they now need, and on which the success of the healthcare reforms ultimately depends.

One Man Great Enough Dec 30 2022 From the author of *The Class of 1846*: “A swift-paced narrative of Lincoln’s pre-presidential life.” —The Washington Post Book World How did Abraham Lincoln, long held as a paragon of presidential bravery and principled politics, find his way to the White House? How did he become the one man great enough to risk the fate of the nation on the well-worn but cast-off notion that all men are created equal? Here, award-winning historian John C. Waugh takes readers on Lincoln’s road to the Civil War. From his first public rejection of slavery to his secret arrival in the capital, from his stunning debates with Stephen Douglas to his contemplative moments considering the state of the country he loved, Waugh shows us America as Lincoln saw and described it. Much of this wonderful story is told by Lincoln himself, detailing through his own writing his emergence onto the political scene and the evolution of his beliefs about the Union, the Constitution, democracy, slavery, and civil war. Waugh sets Lincoln’s path in new relief by letting the great man tell his own story, at a depth that brings us ever closer to understanding this mysterious, complicated, and truly great man. “Lively prose backed with solid research.” —Publishers Weekly “[Waugh’s] judicious use of the historical record and his dramatic prose make for an enjoyable read.” —Kirkus Reviews

Good Enough Apr 29 2020 From the author of the bestselling *Good & Cheap*, a cookbook with self-care at

its heart. Leanne Brown acknowledges that feeding yourself is hard, and that it is almost impossible to find the energy to work for yourself when you don't think you are worth it. With these everyday recipes, she provides a reminder that it's OK to lose perfectionism and find pleasure in "good enough" cooking.

"We Tried" Wasn't Good Enough! Apr 10 2021

Good Enough to Dream Jan 19 2022 Roger Kahn's first major league hit was a grand slam: The Boys of Summer, his runaway bestseller that immortalized the 1950s Brooklyn Dodgers. Now Kahn does the same for players whose moment in the sun has not yet arrived. Good Enough to Dream is the story of his year as owner of the Class A, very minor league Utica Blue Sox. Most of the Blue Sox will never make it to the majors, but they all share the dream that links the small child in the sandlot with the bonus baby who has just smacked one out of the stadium. It's a dream Kahn learned from his father and, in the course of a season, passes on to his daughter's hours of practice for a moment of poetry; a hard living but a touch of legend. Good Enough to Dream presents baseball unadorned, a game still sweet enough to lure grown men to leagues where first-class transportation is an old school bus and the infield is likely to be the consistency of thick soup. It is a funny and poignant story of one season and one special team that will make us hesitate before we ever call anything "bush league" again.

Summary of Karyl McBride's Will I Ever Be Good

Enough? by Milkyway Media Aug 26 2022 In *Will I Ever Be Good Enough? Healing the Daughters of Narcissistic Mothers* (2009), Karyl McBride uses her extensive experience as a family therapist to offer a guide to recovery for adult daughters of narcissistic mothers. The program is designed to help these women overcome a vicious cycle of dysfunctional parenting patterns, banish the haunting emptiness that results from feeling unlovable, and quell anxiety resulting from feeling they were never good enough for their mothers... Purchase this in-depth summary to learn more.

When Good Enough Just Isn't Good Enough Aug 14 2021 If you are content with just getting by, this book is not for you. But if your life's purpose is to reach God's best for your life then this book can make a difference every day of your life. Not only that, it can help you to make a positive difference in the lives of others in your family, your church, and your organization. The life principles outlined in these pages are time tested, easily adaptable, and well proven. They work. They will work for you. Using solid Bible principles and inspiring life-transforming illustrations, Robert Leslie Holmes invites you to join him on a step-by-step ten point journey of faith and hope that will make life better for you and you better for life.

Good Enough Jul 25 2022 The gender confidence gap has long been a hotly debated topic. But do women need to be more confident or do the outdated behaviours of

some organisations need to change? This book discusses these issues and how, in today's workplace culture, working hard and delivering well is no longer enough to get a woman who is interested in growing her career the success she dreams of. Instead she needs to demonstrate not just competency but also confidence, courage and credibility. To improve their chances of career success, women need to get comfortable with being visible in their organisation and industry. Sharing successes, stepping up to take new responsibilities and getting their voice heard. Jo Painter is a leading International Career, Leadership and Confidence Coach. She uses her research and coaching of thousands of women, to identify and examine what it takes to be successful in your career--without doubting your capabilities or worrying what others think. Jo spent 17 years in a corporate career before developing her coaching business 12 years ago. She works with individuals and organisations such as Amazon, Ford, Lloyds Banking Group, Women in Tech, Women in Banking and Finance, and Lean In. Have you had some career success but struggle with self-doubts? Are you frustrated with your career progress or want to have greater impact and credibility at work? If so, this is an essential guide for you.

Good Enough to Be Great Aug 02 2020 With cooperation from Williams and his star players, this book sets up the tournament run with several heart-wrenching tales of overcoming adversity, expectations and even

tragedy.

Good Enough to Eat Jul 01 2020 An introduction to nutrition describes the six categories of nutrients needed for good health, how they work in the body, and what foods provide each, as well as food experiments and recipes, in a kid-friendly format. Reprint.

Winnicott and 'Good Enough' Couple Therapy Dec 18 2021 Claire Rabin innovatively applies the Winnicottian theory of the 'good enough mother' to couple therapy, redirecting attention to the therapeutic relationship and the therapist's self-awareness regardless of the methods used. Using this lens, even the therapist's mistakes become an opportunity for repairing both the therapeutic relationship and the partners' own personal maturity. The intensity and pressure of couple therapy can make each case a test of the therapist's competence. The need for neutrality constitutes on-going pressure on the therapist and the proliferation of therapeutic methods can cause confusion about which might be most useful in each situation. Applying theory effectively is easier said than done within the context of the powerful emotions unleashed in sessions, which can result in a catastrophic atmosphere. These factors can make it hard for therapists to utilise their own skills and knowledge within sessions of couple therapy. The book explores how therapists and couples can unintentionally further 'false selves' without realising how the very tools of change may counter authenticity. Featuring interviews with an international range of couple

therapists and case studies from the author's own experiences, the key aspects of the 'good enough' concept are elaborated. Rabin shows how these ideas can strengthen therapists' sense of security and safety in using their lived experience and intuition. Winnicott and Good Enough Couple Therapy is the ideal book for clinicians seeking an overarching framework for working with couples or families, as well as those concerned with the importance of the client-helper relationship.

Will I Ever be Good Enough? Nov 17 2021 A resource for daughters of mothers with narcissistic personality disorder explains how to manage feelings of inadequacy and abandonment in the face of inappropriate maternal expectations and conditional love, in a step-by-step guide that shares recommendations for creating a personalized program for self-protection and recovery. 50,000 first printing.

A Good-enough Service Jan 07 2021

Good Enough Mothers Sep 03 2020 Motherhood in Mexico is profoundly shaped by the legacy of colonialism. This ethnography situates motherhood in a critical global health analysis of maternal health inequalities and interventions in the southeast state of Chiapas. Using a transitional life course framework, it demonstrates how the transition to motherhood is never complete. Once a good mother is defined, she becomes undefined, the goal posts moved, and the rules confronted.

Good Is Not Enough Feb 26 2020 A straight-talking

resource for minority employees seeking senior management positions addresses key obstacles while providing insight into such areas as corporate culture, building one's visibility, and the importance of maintaining one's knowledge base. 17,500 first printing.

Never Good Enough Apr 22 2022 Shows how perfection can cause depression, low self-esteem, and other problems and leads readers through a comprehensive program designed to release them from its grip.

Great Occasions Nov 24 2019

The Good-Enough Life Feb 20 2022 How an acceptance of our limitations can lead to a more fulfilling life and a more harmonious society We live in a world oriented toward greatness, one in which we feel compelled to be among the wealthiest, most powerful, and most famous. This book explains why no one truly benefits from this competitive social order, and reveals how another way of life is possible—a good-enough life for all. Avram Alpert shows how our obsession with greatness results in stress and anxiety, damage to our relationships, widespread political and economic inequality, and destruction of the natural world. He describes how to move beyond greatness to create a society in which everyone flourishes. By competing less with each other, each of us can find renewed meaning and purpose, have our material and emotional needs met, and begin to lead more leisurely lives. Alpert makes no false utopian promises, however. Life can never be more than good enough because there

will always be accidents and tragedies beyond our control, which is why we must stop dividing the world into winners and losers and ensure that there is a fair share of decency and sufficiency to go around. Visionary and provocative, *The Good-Enough Life* demonstrates how we can work together to cultivate a good-enough life for all instead of tearing ourselves apart in a race to the top of the social pyramid.

Good Enough Mothering? Jul 13 2021 Currently, lone mothers and their children make up almost 20 per cent of families with dependent children in the UK, a threefold increase since 1970. Yet, while they are often cited by politicians as both a symptom and cause of social breakdown, relatively little is known of the causes, consequences and conditions of lone motherhood in Britain and throughout Europe. *Good Enough Mothering?* provides accounts of historical patterns of mothering and ideologies of the family with cross-national comparisons of policies and experience of lone motherhood in developed and developing countries. Countries include: Britain, US, Norway, South Africa, Kenya, Thailand, India, Brazil and the Caribbean. This engaging edited collection will appeal to students of social policy, women's studies and social work.

Is Goodness Without God Good Enough? May 11 2021 *Is Goodness Without God Good Enough* contains a lively debate between William Lane Craig and Paul Kurtz on the relationship between God and ethics, followed by seven

new essays that both comment on the debate and advance the broader discussion of this important issue. Written in an accessible style by eminent scholars, this book will appeal to students and academics alike.

Good-Enough Mother Sep 15 2021 An Early Show anchorwoman recounts her experiences as a "proudly imperfect" mother of two, offering a reassuring portrayal of modern motherhood that suggests that children can emerge healthy and well-adjusted in spite of the concessions inherent to today's challenging work-life balance. Reprint. 50,000 first printing.

Good Enough Nov 29 2022 Philosopher Daniel Milo offers a vigorous critique of the quasi-monopoly that Darwin's natural selection has on our idea of the natural world. In popular thought, Darwinism has even acquired the trappings of an ethical system, focused on optimization, competition, and innovation. Yet in nature, imperfect creatures often have the evolutionary edge.

Is the Good Book Good Enough? Sep 27 2022 The book analyzes evangelical Christianity as a comprehensive perspective for understanding the range of contemporary policy issues in America. It finds that evangelicalism can be understood as a distinctive approach to understanding policy debates, that evangelicals are not as monolithic as commonly thought, but that their policy activism is still marred by significant shortcomings, namely their failure to employ non-biblical arguments and rhetoric that might resonate with non-evangelical Christians.

When Perfect Isn't Good Enough Mar 29 2020 This revised and updated edition of *When Perfect Isn't Good Enough* offers the benefits of the latest research to readers who dread making mistakes and feel that nothing they do is quite good enough.
