The Grand Underground is a vast underground world that spreads like a maze beneath the entire Sinnoh region. Pokémon Hideaways features a variety of terrains, from still water caves to volcanic landscapes, with different Pokémon in each environment. Among the Pokémon that inhabit the Sinnoh region, there are some Pokémon that can only be found in these Pokémon Lairs. Some walls of the Grand Underground can be dug with a sledgehammer and pickaxe. If you dig deeper, you'll find things like useful items for your adventures and valuable Pokémon fossils, as well as new Pokémon statues that have been added to these games. You can build yourself a secret base within the walls of the Grand Underground using an item called the Digger Drill. You can place the Pokémon statues you found while digging for fossils anywhere in the secret base, allowing you to customize your space! You can interact with trainers around the world on your Nintendo Switch system via local or online communication.
