*As the boat slipped from his grasp, the boy watched sadly as it disappeared from view. Follow the boat on its exciting voyage into the unknown and marvel at what lies at its journey's end. For whisky professionals, connoisseurs and lovers, Jim McEwan is an icon like Steve Jobs, Paul McCartney and Pelé. Growing up in the small village of Bowmore on the "whisky island" of Islay, he started his career in 1963 at the age of 15 as a cask maker in the Bowmore distillery. This developed into an unprecedented career in which Jim was to shape and revolutionise the world of whisky like no other. The worldwide success of single malt whisky is inextricably linked to him. The highlight of his work was the revival of the Bruichladdich distillery, today one of the most*

innovative and respected representatives of the whisky world. How a journey began with two men and a dog that would lead to new universes of whisky is only part of the story that Jim McEwan tells here anecdotally and with much humour. Lavishly designed, lavishly illustrated and sumptuously appointed - a delight for lovers of wonderful books and wonderful drinks alike. *Journey of a Thousand Miles* tells the remarkable story of a boy who sacrificed almost everything - family, financial security, childhood and his reputation in China's insular classical music world - to fulfil his promise as a classical pianist. Lang Lang was born in Shenyang in north-eastern China just after the end of the Cultural Revolution. He began piano lessons at three years old and by age ten had been awarded a place at the Central Conservatory of Music in Beijing. In order to continue his studies he moved thousands of miles from home, living with his exacting father in a cramped, shared apartment, while his mother stayed at home to earn the money to pay his fees. At fifteen he moved to the United States to take up a scholarship at the Curtis Institute in Philadelphia; by nineteen he was selling out Carnegie Hall. His tutor and mentor Daniel Barenboim was perhaps the first to describe him as 'extraordinarily talented'; today his assessment is shared by millions. Now in adulthood, Lang Lang tours relentlessly, delighting sell-out audiences with his trademark flamboyance and showmanship. *Journey of a Thousand Miles* is a tale of heartbreak, drama and ultimately triumph. His inspiring story demonstrates the courage and self-sacrifice required to achieve artistic greatness. One perfect day in heaven, Little Angel spies Bountiful Earth. From that day on, Little Angel longs to go to Earth but has to wait through the changing in seasons. When the time finally comes, Little Angel is led by Great Angel to Twinkling Stars, Radiant Sun and Silvery Moon, who each in turn give the Little Angel a

gift to be used on Earth. A gentle descent down Rainbow Bridge safely bring the Little Angel, who is now a tiny baby, into the awaiting arms of the new mother and father. Bending over the baby they whisper the baby's name. Follows the life journey of chef Hassan Haji, who progresses from his family's modest restaurant in Mumbai to master haute cuisine in an elegant Parisian restaurant. A first-hand account of the genealogy of the discipline, and of the rise of a new era of social history, by one of the leading historians of a generation Go on A Christmas Journey with author and illustrator Susie Poole and discover the true meaning of Christmas. Beginning with the Creation story, where God's perfect world is quickly spoiled, children will learn the importance of Christmas and how the birth of our Savior Jesus Christ was all part of God's great plan. Follow a little fish on her epic journey downriver as she travels out into the unknown. With stunning artwork from Hanako Clulow, a lyrical narrative and a magical 'swimming fish' on every page, this is a book to treasure and revisit time and again. Documents the journey of a Honduran teen who braved hardship and peril to reunite with his mother after she was forced to leave him behind and seek migratory work in the United States. The Journey is a story of survival, of human endurance, of an indomitable spirit that stands up to evil. It is a story of love and sacrifice, a story of friendships forged forever by tragedies experienced collectively with fellow deportees. In February 1940 Poland is in the grip of two invading powers - Hitler's and Stalin's. Julian Kalinski (29), his wife Anastazia (26) and their baby are taken by force in the middle of the night, packed onto a cattle train with hundreds of innocent

civilians and sent to Siberia. Thus begins their epic journey that will take them to the remotest Russian taigas, to Kazakhstan, to the deserts of Uzbekistan and finally to freedom in Persia, but not before they have suffered the most appalling conditions in Stalin's labour camps, endured diseases, survived starvation, and witnessed daily the deaths of their closest friends. In freedom their journey continues: Julian's as a soldier of the 2nd Corps in the Italian campaign, and Anastazia's as a mother to their newly-born daughter in Palestine. The end of the war does not bring them the longed-for return to their native country, for Poland has been sacrificed at the Treaty of Yalta to appease Stalin. Their reunion in England is brief and devastating. Years later, their daughter Julia attempts to piece together her parents' tragic past. With Miro's support she embarks upon a journey to Poland, in 1962, still under Soviet regime. Her quest is rewarded with answers to her questions, but above all, with a miraculous discovery that will change her life for ever. She is left with the bitter-sweet legacy of her parents' journey. Gittel and her mother were supposed to immigrate to America together, but when her mother is stopped by the health inspector, Gittel must make the journey alone. Her mother writes her cousin's address in New York on a piece of paper. However, when Gittel arrives at Ellis Island, she discovers the ink has run and the address is illegible! How will she find her family? Both a heart-wrenching and heartwarming story, Gittel's Journey offers a fresh perspective on the immigration journey to Ellis Island. The book includes an author's note explaining how Gittel's story is based on the journey to America taken by Lesléa Newman's grandmother and family friend. The small fish that thought big ... The gods descended to meet this incredible fish and reward her for her inspiring strength. One of them turned her colour from pink to

bright, sparkling gold, so that she would stand out amongst all other fish. Everyone has a dream. Kaya's was to see the world. For a tiny koi fish in a little pond, it seemed like an impossible feat. Yet her courageous journey has become a thing of legend in many countries and cultures. This story, inspired by a real fish, real events, folk tales and beliefs, will inspire you to follow your dreams, no matter how big. A powerful collection of personal stories, 24 authors share their journey of bouncing back: what they learned and the advice they would give. This book is a great read to inspire a friend, to perk up a lunch time or to support you on your own journey of change. An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more--the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique's Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: "This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one."

A Journey Back in Time presents a collection of thirteen stories about love, hate, greed, redemption, freedom, peace, loneliness, the loss of a loved one, interracial relationships, and acceptance. Each story is relevant to the experiences of African Americans from as far back as the 1860s through the present day. These stories emerged through the research of author Vildred C. Tucker-Dawson

into her family history. She discovered that her ancestors had a unique way to allow future generations to connect with the past—through these stories, handed down from generation to generation. Several of the short stories are based upon accounts told by the author's elders of her great-grandmother, Mrs. Sarah Pugh-Scott, whom she never met. Sarah and her son, who were both of a mixed racial background, faced challenges throughout their lives that did not prevent them from striving for better lives for their families. Presenting real perspective in the form of fiction, *A Journey Back in Time* offers food for thought to both youth and adults on African American experiences and history. Synopsis coming soon.....

This picture book tells the story of 13-year-old refugee Rachel who, along with her family, flees her home country to escape the persecution they suffer as Christians living in a predominantly Muslim country. to be a refugee today making them ideal for tying into Refugee Week. A children's rhyming book explaining their donor egg conception. Twins Kirsty and David Murray are forced to leave their crofting home in the north of Scotland, and struggle to cope with life in Glasgow, where the work is hard and dangerous. Then comes a chance for a new adventure on a ship bound for Canada. Will they survive the treacherous Atlantic crossing, and what will they find in the strange new land? The *Desperate Journey* is Kathleen Fidler's best-known story, a true Scottish classic whose thrilling plot will keep children gripped till the end. *Into The Woods* is a revelation of the fundamental structure and meaning of all stories, from the man responsible for more hours of drama on British television than anyone else, John Yorke. We all love stories. Many of us love to tell them, and even dream of making a living from it too. But what is a story? Hundreds of books about screenwriting and storytelling have been written, but none of them ask 'Why?' Why do we tell stories? And why do all stories function in an eerily similar way? John Yorke has been telling stories almost his entire adult life, and the more he has done it, the more he has asked himself why? Every great thinker or writer has their theories: Aristotle, David Hare, Lajos Egri, Robert McKee, Gustav Freytag, David Mamet, Christopher Booker, Charlie Kaufman, William Goldman and Aaron Sorkin - all have offered insightful and illuminating answers. Here, John Yorke draws on these figures and more as he takes us on a historical, philosophical, scientific and psychological journey to the heart of all storytelling. What he reveals is that there truly is a unifying shape to narrative - one that echoes the great fairytale journey into the woods, and one, like any great art, that comes from deep within. Much more than a 'how to write' book, *Into the Woods* is an exploration of this fundamental structure underneath all narrative forms,

from film and television to theatre and novel-writing. With astonishing detail and wisdom, John Yorke explains to us a phenomenon that, whether it is as a simple fable, or a big-budget 3D blockbuster, most of us experience almost every day of our lives. Manolo Sanchez must find the courage to save his town in this 8x8 storybook retelling of the movie *The Book of Life*! *The Book of Life* hits theaters on October 17, 2014! THE BOOK OF LIFE © 2014 Twentieth Century Fox Film Corporation and Reel FX Productions II, LLC. All rights reserved. Becky Murray is someone who sees needs and responds. Whether it's street children in Pakistan, orphans in Kenya or girls at risk of human trafficking across the world, she is there, when these kids need someone the most; someone who is an extension of Christ at work. Her charity, OneByOne has grown into such an incredible organisation that is reaching thousands of lives. As you read this book you will quickly discover there is more to it than what we so easily call destiny. You will feel the providence of God in each word and story. Becky's life was changed by a preposition, by the word 'INTO'. . . she dared to go (into) the world and today children by the thousands are benefitting from her obedience. People of providence have a window of opportunity that they must step through and this is exactly what has taken place in Becky Murray's life. She has crawled into the eyes of Jesus and seen the abandoned, the broken and the defenceless as He would see them. She is an answer to prayer for many and her boldness takes her into places

others would never dare to go. Her life is a challenge to those who feel the call to mission on their life. Using a red marker, a young girl draws a door on her bedroom wall and through it enters another world where she experiences many adventures, including being captured by an evil emperor. Sometimes pain makes its mark on our lives in such profound ways that it feels like they start to define who we are. The more we try to hide the pain by wearing masks to show the world that "everything is fine", the more that pain does not allow us to have a life full of real love and real joy. My story is about this kind of pain. But beyond that, it's about the real process of healing. It's about how I finally understood the reason for so much suffering. Amid all the mess in my life, I found my way back to my safe harbor, to my truth and my self-love. In this book, my deepest desire is to take you the reader on a journey of love, understanding and acceptance, so that you can: Leave behind the cycle of suffering and experience the relief and support you will need for the next steps; Rebuild your relationships, starting with yourself followed by everyone who is important in your life; Reconnect with your self-value and your own truth, so that you can live according to your purpose in life; Experience forgiveness and allow yourself to be truthfully happy; Free the strength inside yourself!
